Clearwater High School

Volume 58

Sharing was more than a gesture at Clearwater High in 1973-74: it was the way of life. As the high schools of Pinellas County went to double sessions and the freshmen joined the upperclassmen on campus much had to be shared. Teachers, rooms, buses, deans, textbooks, counselors — people and things alike did double duty. It took cooperation and patience, but it worked.

Innovations in the curriculum helped meet the challenge of serving nearly a thousand more students. Aeronautics, Oral Communications, Comparative Political Systems, Bible History, and a host of ninth grade courses joined the already full schedule of courses.

School days seemed rushed and students found little time to visit each other. Friday nights gave many people a chance to get together and join in the excitement and enthusiasm of football and basketball.

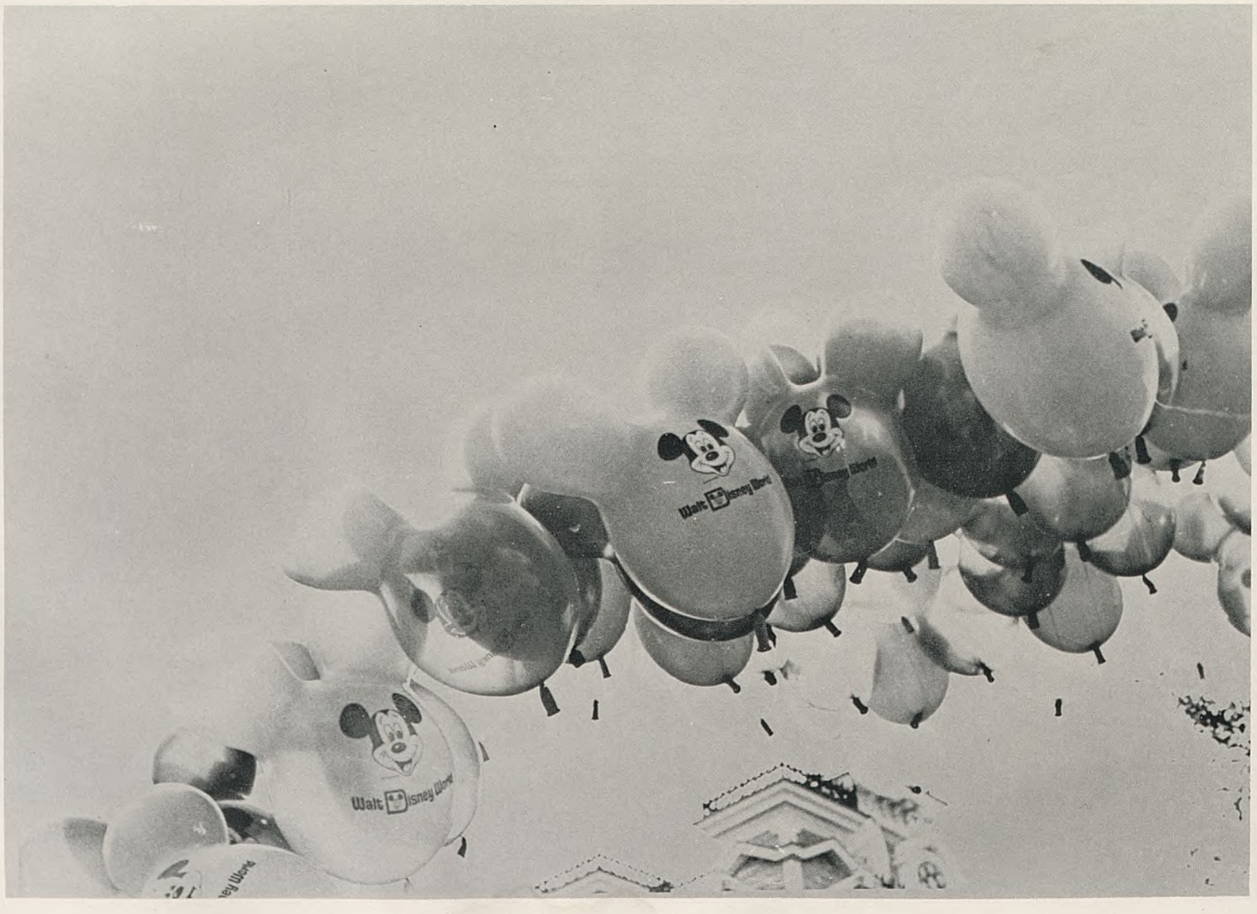

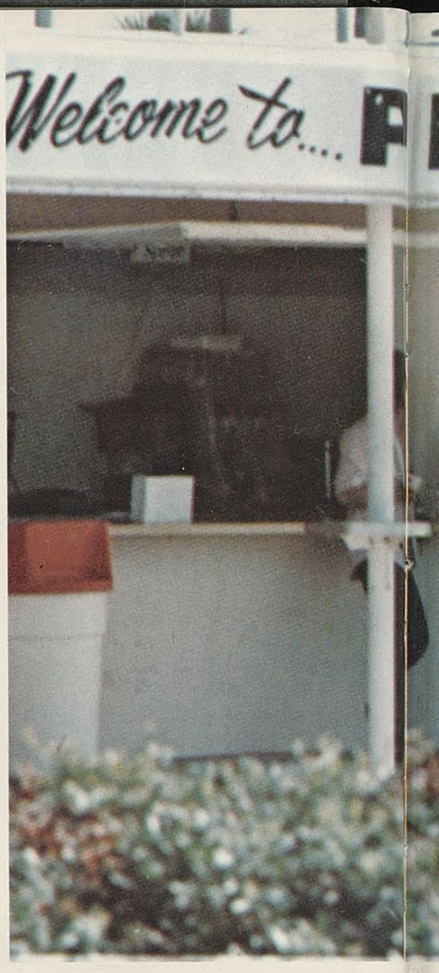

Walt Disney World

Students looked forward to weekends as an escape from school surroundings. Staying out late and sleeping past dawn were joys of life. Time was spent leisurely, through the duration of the weekend. Monday mornings brought one back to reality.

Honors

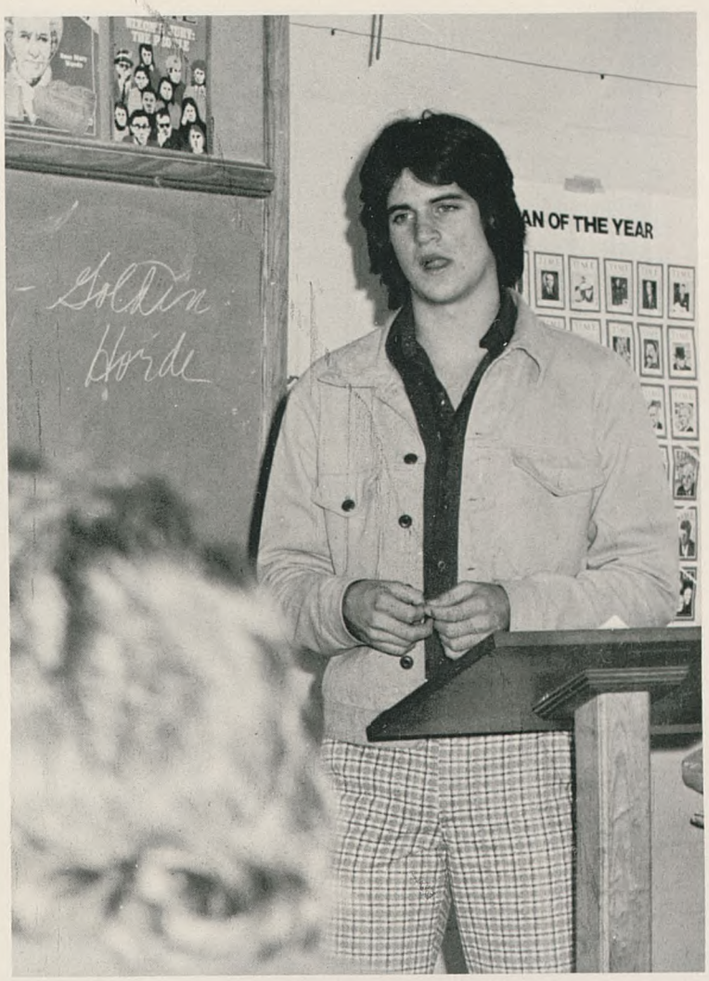

CHS Honored Top 10 Seniors

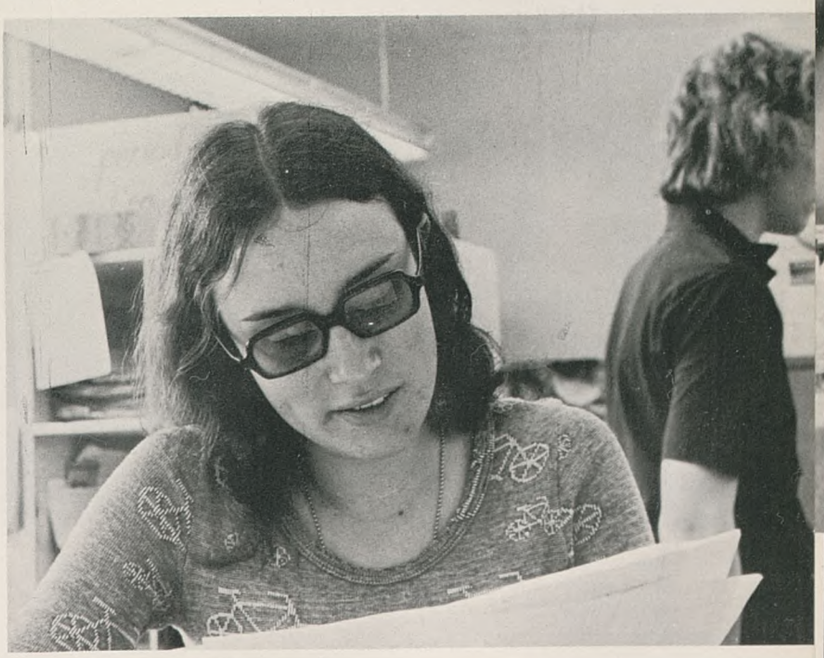

Factors such as grades, civic involvement, and school service were taken into account as the faculty chose ten seniors for the 1974 Hall of Fame. The faculty reviewed the activities of all seniors and chose the five boys and five girls considered the finest.

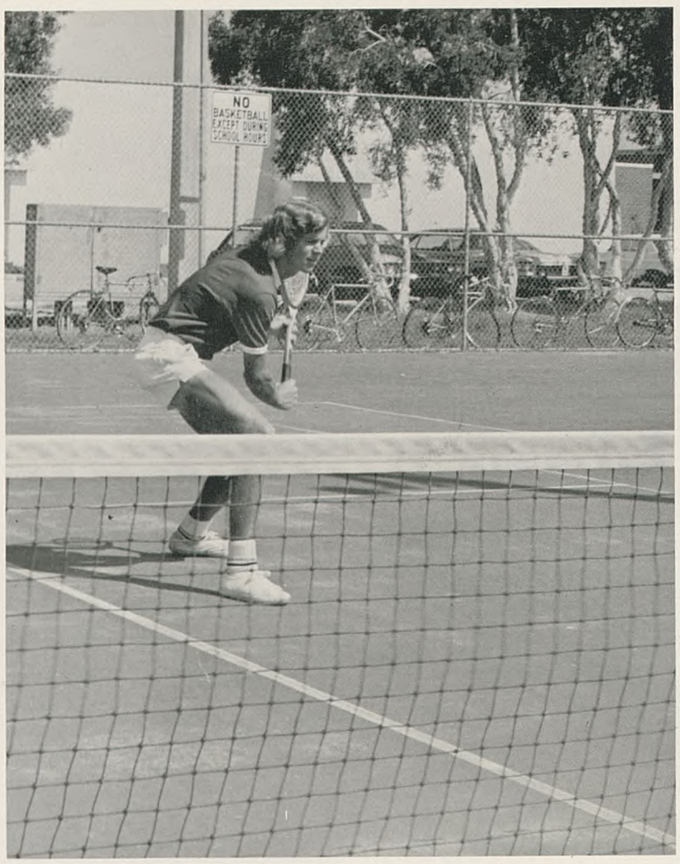

Richard Friederich — Key Club, Honor Society President, Student Council, Chess Club, Math Club, Basketball, High-Q, Categorically Speaking, National Merit Scholarship Finalist.

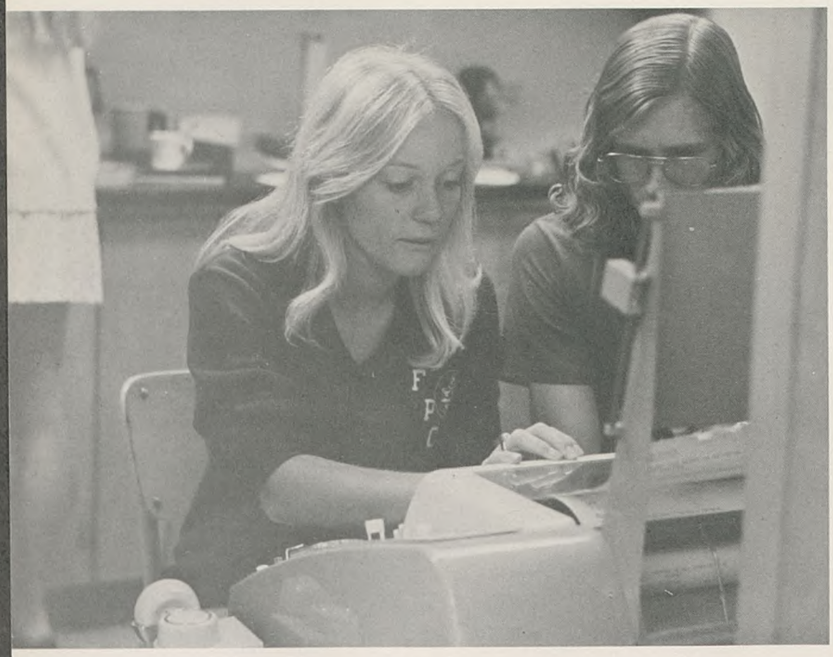

John Gregory — German Club, Key Club, Student Council President, NFL, Students Rights and Responsibility Committee, Sophomore Class President, Clearlight.

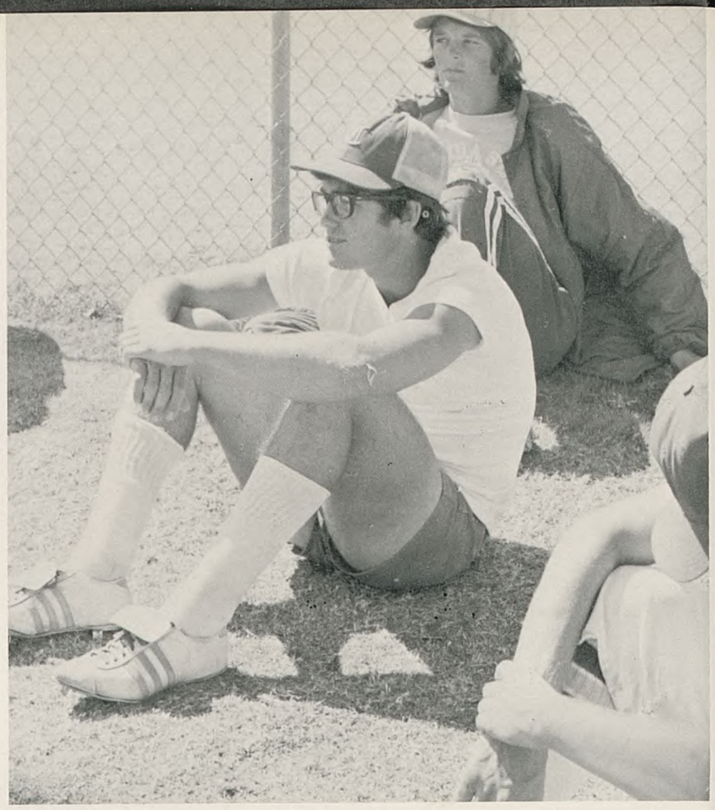

Anne Dinger — Quill and Scroll, Honor Society, Student Council, Chess Club, German Club, Clearlight Co-Editor, Keyettes, Math Club, Marine Biology Club.

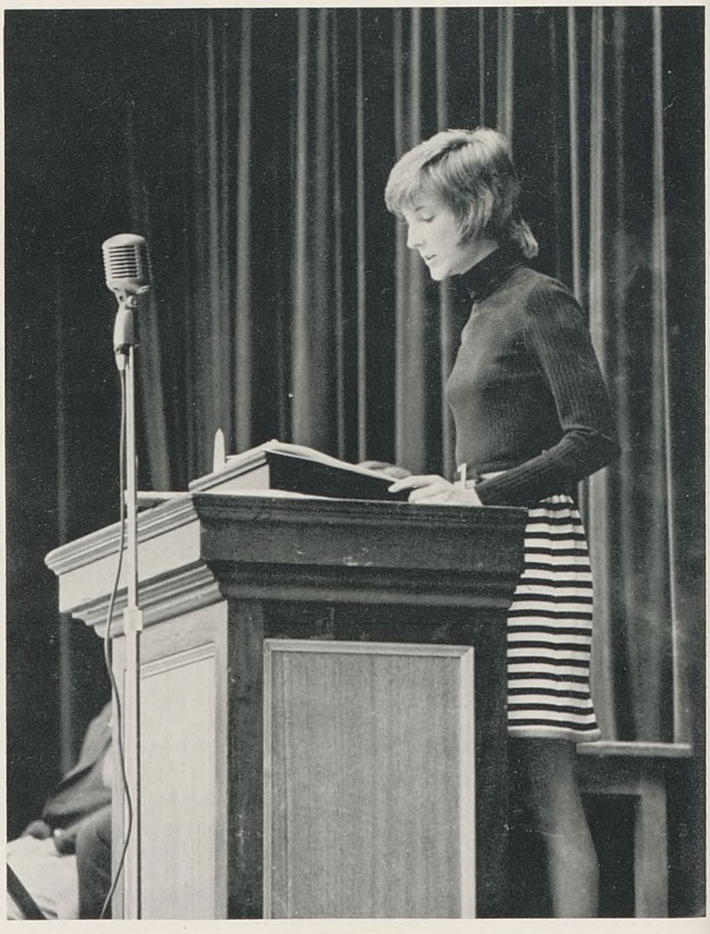

Jack Jones — Spanish Club, C-Club, AFS, Student Council, NFL, Honor Society, Quill and Scroll, Tennis, Senior Class President, Clearlight, Society of Outstanding High School Students.

Kim Wright — Keyettes, AFS, Homecoming Court, Americans Abroad Exchange Student, Honor Society, Society of Outstanding American High School Students.

Tim Aydt — Key Club, C-Club, Boys' State, Football — Captain, Baseball — Captain.

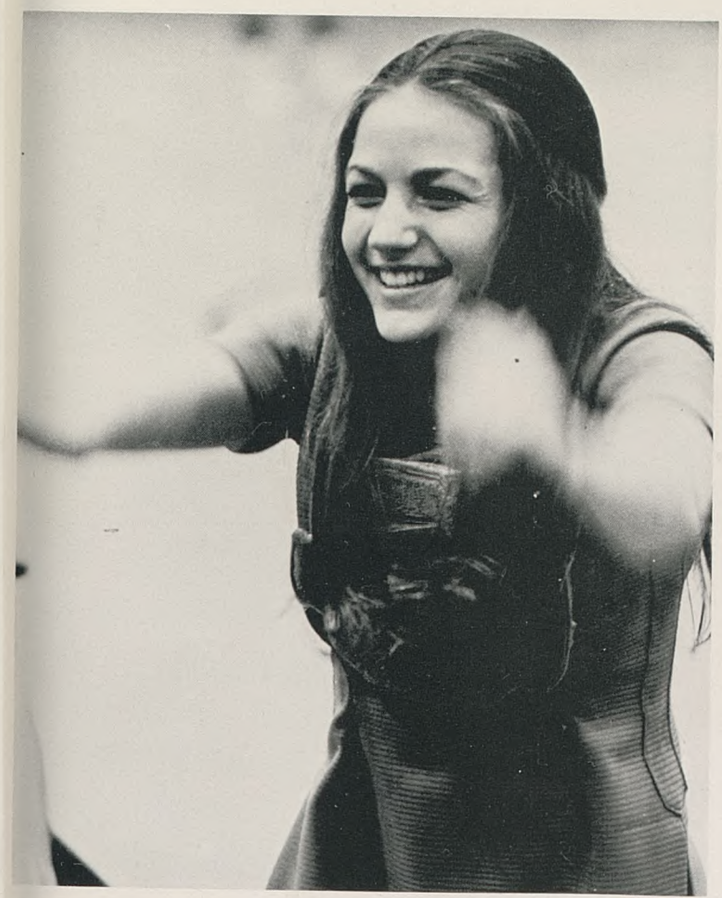

Leigh Meriwether — Honor Society Vice-President, Spanish Club, Keyettes, Tennis.

Seniors Lauded For Service

Will Castagna — Key Club, C-Club, Spanish Club, Math Club, Swimming, Diving.

Leah Platt — Pep Club, Honor Society, Homecoming Queen, Calendar Girl, Cheerleader.

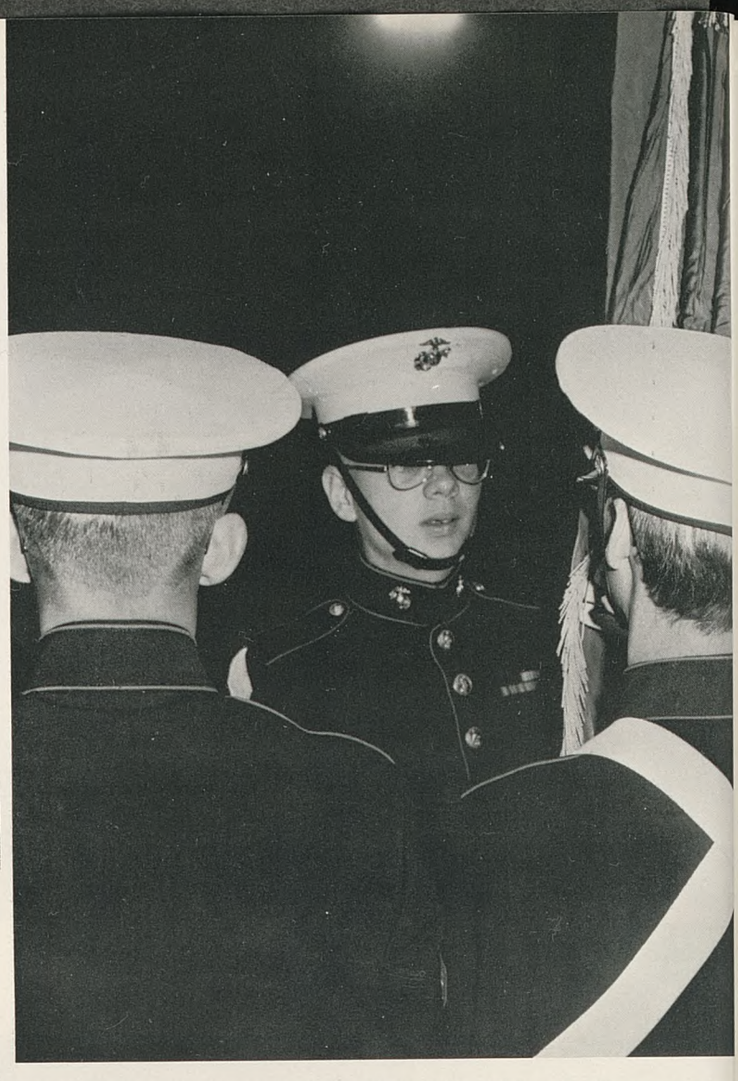

Sarah Parker — Usherettes, Honor Society, FBLA Local President.

Carol Briggs — Sons of the American Revolution JROTC Gold Medal recipient.

Andrea Walker — National Sojourners Incorporated Award for Military Achievement recipient.

Richard Walker — American Legion Gold Medal for Military Excellence recipient.

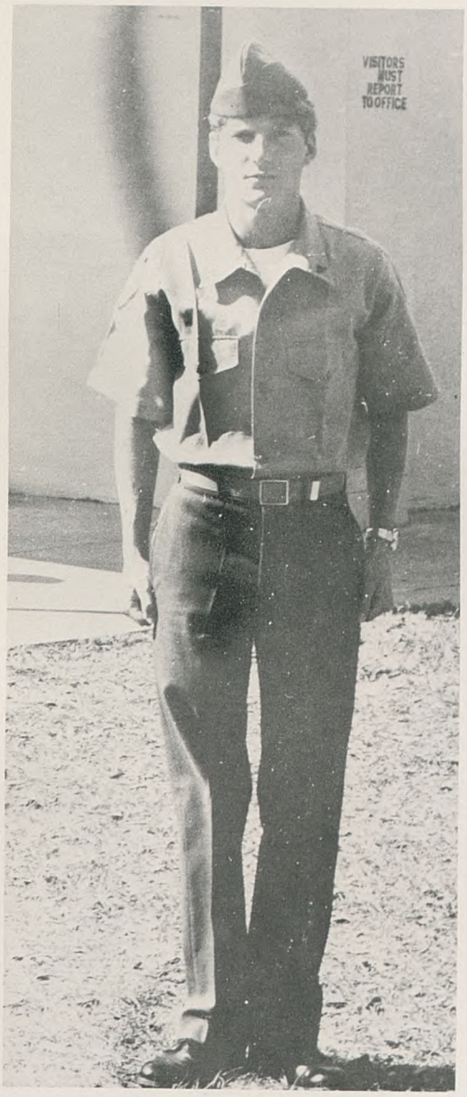

John Rouisse — Military Order of the World Wars Organization Award for Military Excellence recipient.

Cadets Awarded For Service

Throughout the year many of the JROTC cadets received various awards. These students were chosen for the service exhibited to their school and community. With the addition of girls to the JROTC curriculum, there were more awards than ever before.

Paul Barzler — Daughters of the American Revolution, JROTC Bronze Medal recipient.

Journalists Honored At Banquet

Quill and Scroll is the Honorary Society for High School Journalists. Nineteen new students were chosen, on the basis of grades and participation, and were inducted into the Edna North Knapp Chapter at a breakfast meeting. Members who were delegates to the FSPA Convention in Daytona Beach were honored at the awards banquet.

(from left) Kurt Engle, Betty Morgan, Gina Bowden, John Gregory, Carol Bates, and Anne Dinger.

(sitting, from left) Jode Frisbie and Julie Glass. (standing, f. l.) Marion Hancock, Janice Kehoe, Jerry Lettre, and Mr. Thomas Pierce.

Merit, Effort Recognized

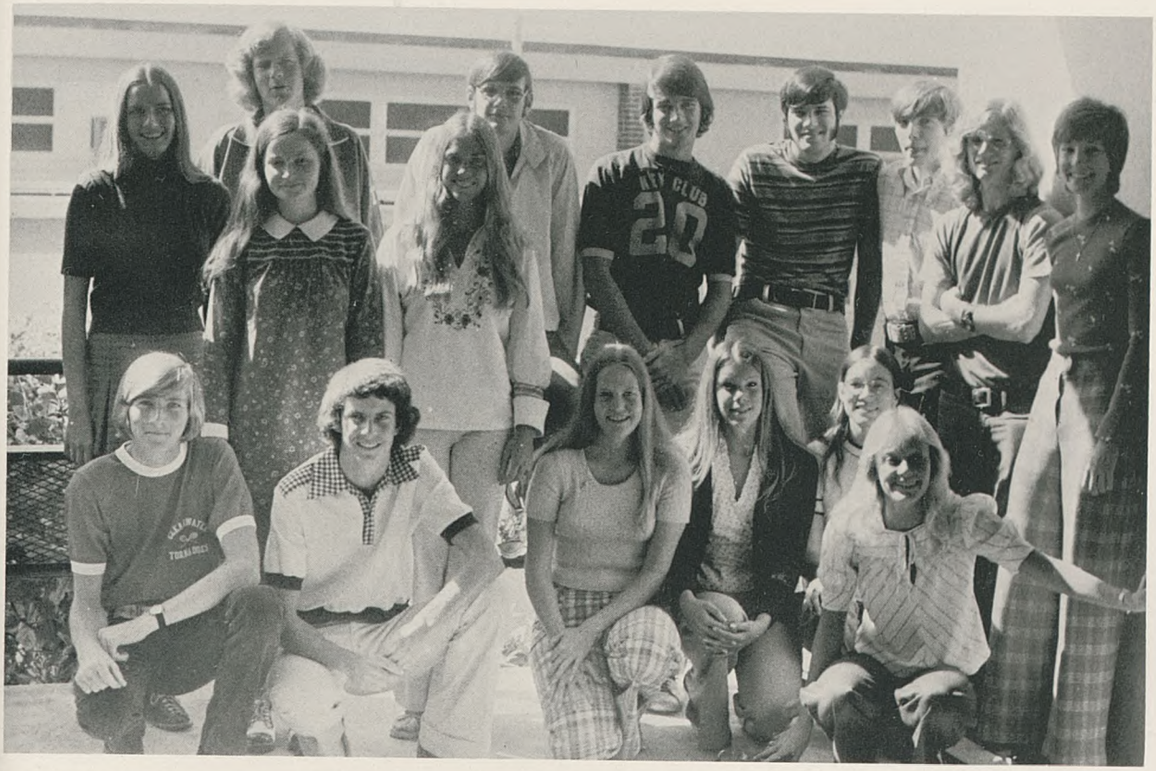

Twenty seniors were chosen to be in Who's Who in American High Schools. They were chosen for their excellent school work and service. CBE chose an outstanding student for their excellent employee ratings and dedication to CBE.

Barbara Sellinger, 73-74 Outstanding CBE student, operates data processing equipment in the School Administ.

(left) Jill Shaffer, 73-74 FBLA State Vice-President and Karen Bawkin, 74-75 FBLA State Vice-President. (above) Lynette Rickel — A.B. Fisk Memorial Award for Outstanding Musical Achievement recipient.

Nine Panelists Tilted On The Tube

Five students were chosen to be on the panel for Categorically Speaking and four were chosen for High-Q. These students were picked for their academic prowess. They competed with other schools on local television, Channels 10 and 13.

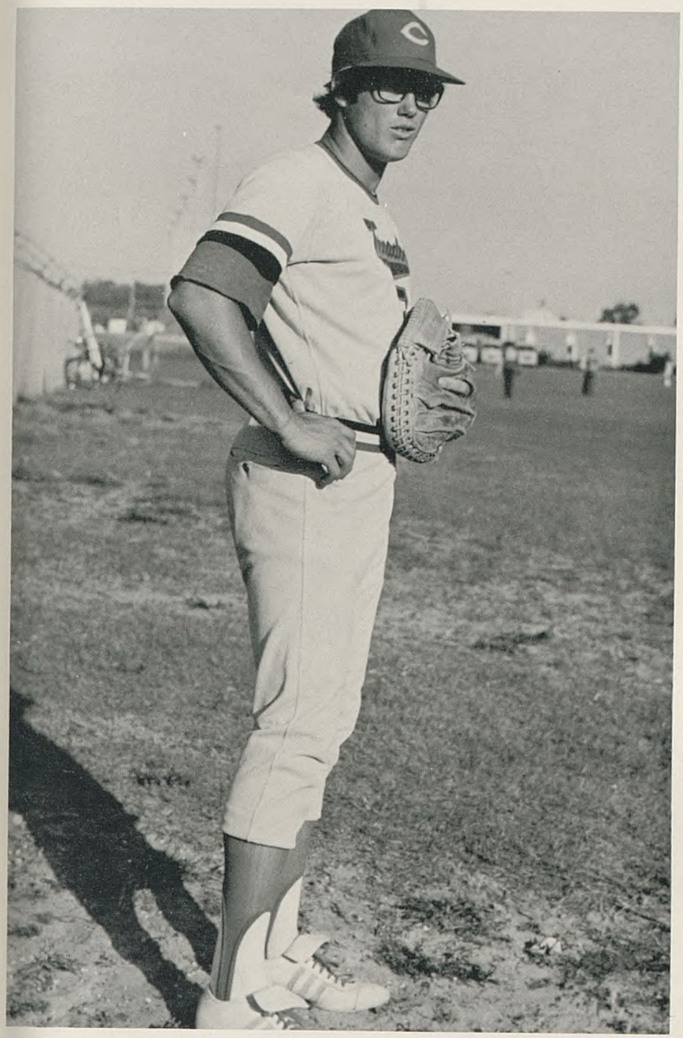

CATEGORICALLY SPEAKING: (from left) William Coe, Mike Campbell, Richard Friederich, Ted Saclarides, Paul Friederich, and Mrs. Margaret Cleghorn.

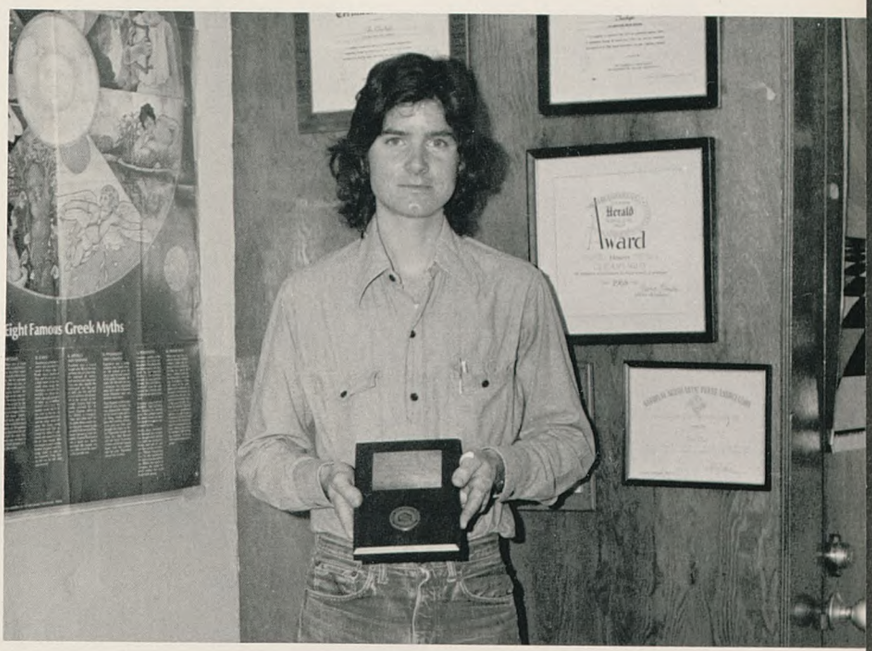

HIGH-Q: (from left) Ted Saclarides, Mike Campbell, William Coe, and Paul Friederich.

They Excelled

In addition to academic honors, students were recognized for excellence in extracurricular activities and special interests. Athletics and school publications were two such interests. The Independent recognized the outstanding staffer from the school newspaper, Clearlight, and Florida sportswriters chose the outstanding football players.

Tim Aydt — All State Football (safety) as well as a baseball star.

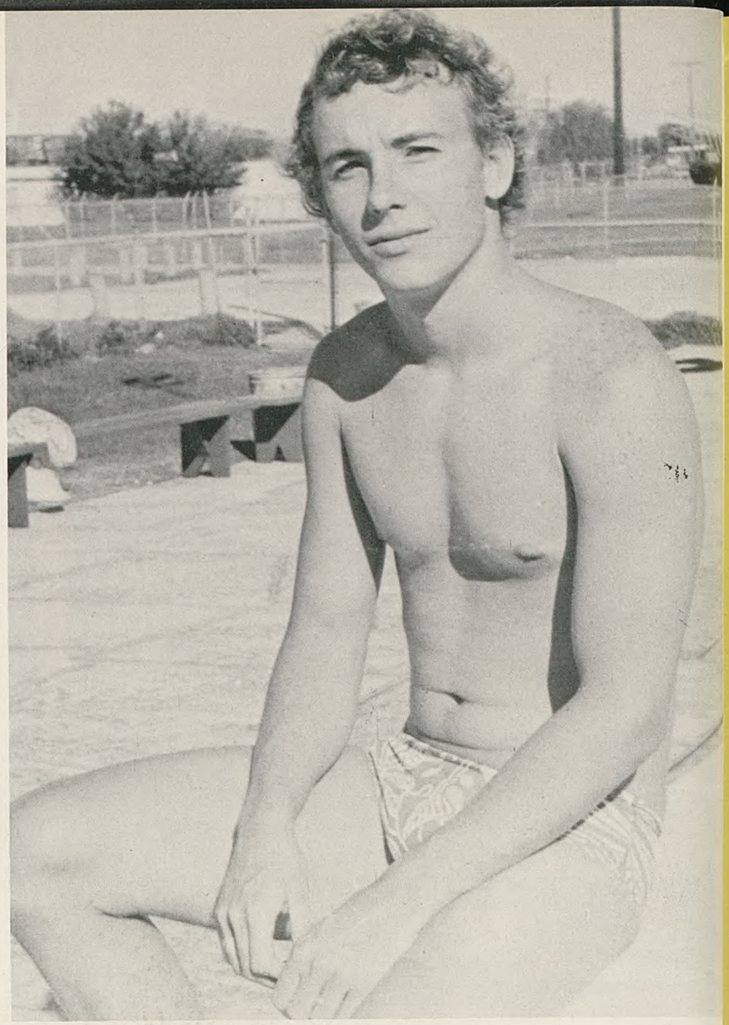

Peter Dunn — Clearlight co-editor awarded the St. Petersburg Evening Independent Most Valuable Staffer.

ALL CONFERENCE FOOTBALL: (from Left) Al Mason, Brian Feeney, Terry Brown, Sam Collins, Elmo Wright.

Claire Biron — 73 All American Swimmer.

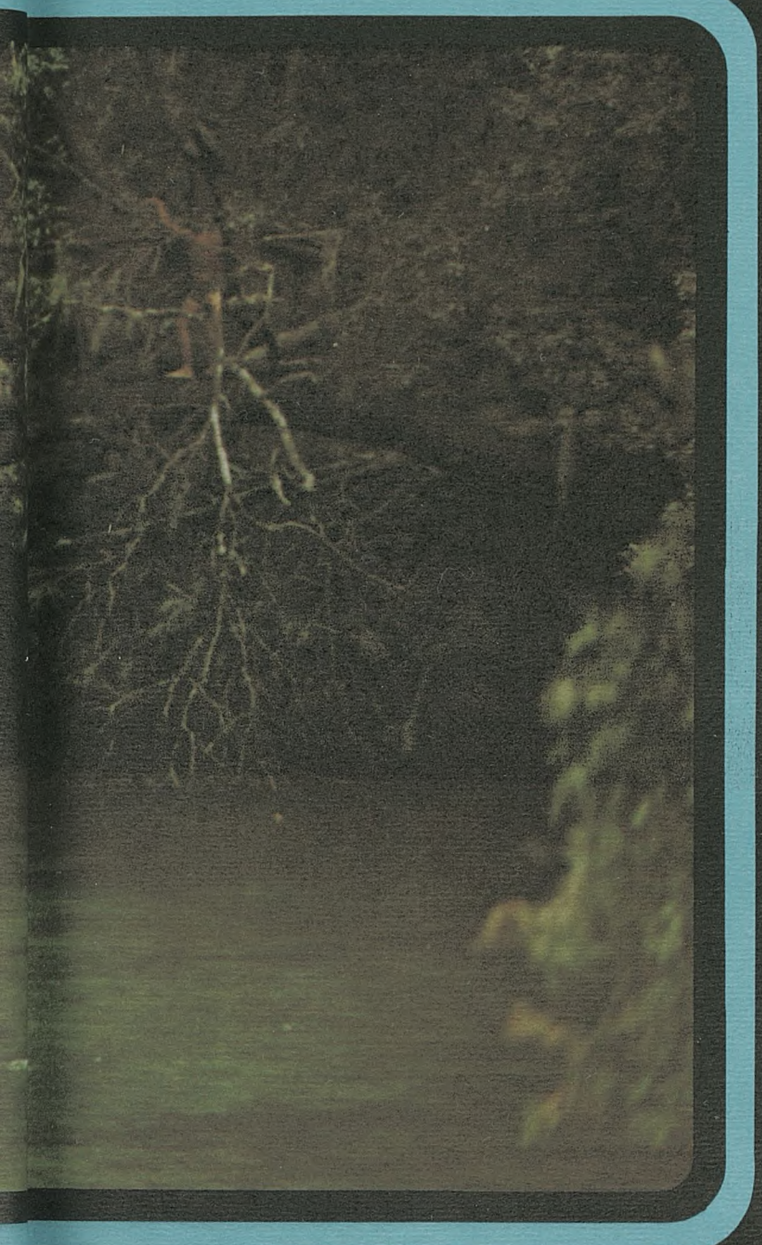

Peter Eunson — 73-74 All American and State Champion swimmer.

DELTA EPSILON PHI: (from left) Martha Denis, Kathy Kuntz, Linda Harvey, Verlia Cole, Paul Friederich, Eric Miller, Richard Friederich, Susi Roessler, Jim Wilson, Anne Dinger, and Cheryl Zinzow. Members had to make a 3.6 average in German, a 3. overall and completed 1½ years in the language.

Homecoming '74 Made Memories

The Night They Drove Ole Dixie Down provided the theme for Homecoming 1974. Activities celebrating Homecoming included Tornado Tales where Leah Platt was crowned queen. The afternoon preceeding the game the annual parade was held through downtown Clearwater. The court was once again presented along with the floats in which the senior class placed first. Homecoming festivities drew to a close with a victory over Dixie Hollins and the dance.

'Time In A Bottle' Bubbled Over

The Y-Teens annual Sweetheart Dance was held on February 2nd with music provided by the group "Koco." Decorations for the dance followed the theme of "Time In A Bottle." After the court was introduced, Sally Baker was crowned queen by Linda Johansen, last year's sweetheart queen. Other senior members in the court were Susan Duff, Margaret McMullen and Stephanie Snodgrass.

School Provided New Interests

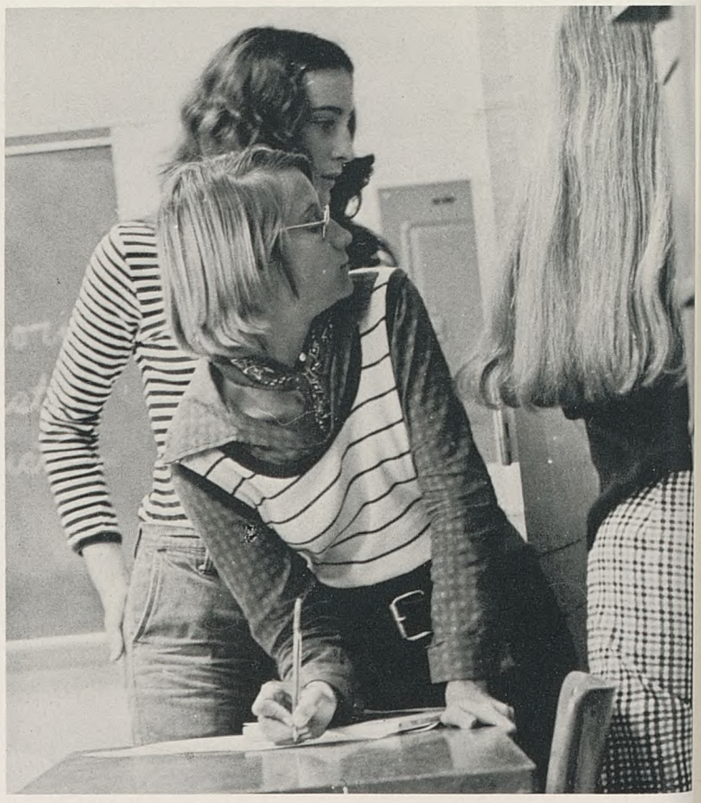

The school year went by rapidly for CHS students, as they spent only five hours in school each day. Forty-five minute classes left them taking much work home as lectures, lab work and tests took up most of the class period. Once out of school though, students found plenty of time to do their homework, go to their jobs or do anything else they desired.

(above) Mark Hein experiments in the lab. (below, left) Themie Prodromitis voices her opinion in class. (below, right) Pat Tiffany puts her classwork in order.

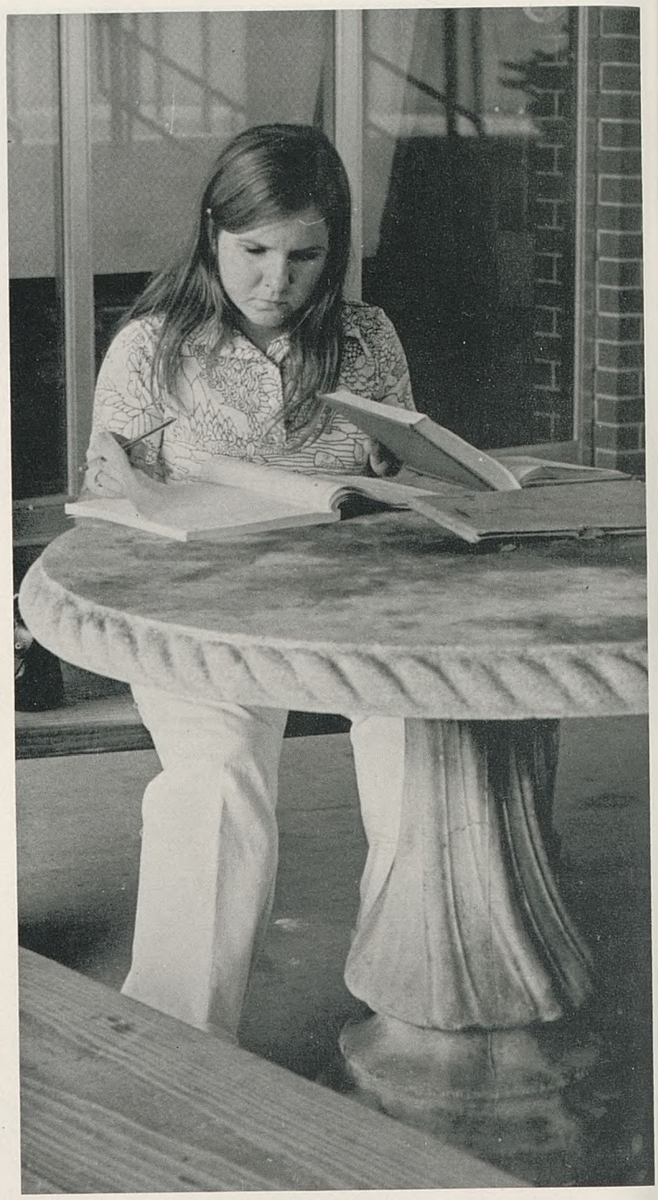

Students Pondered All Situations

CHS was a place for both education and recreation. Whether taking a period off for quiet study or participating in a crowded parade, students found their individual wants fulfilled.

Students Shared Participation

Involvement was the key to CHS sports as athletes received a lot of support throughout the entire year. Screaming fans joined with the cheerleaders to boost their teams to another proud Tornado victory, while the Marching Band added entertainment with their fantastic halftime performances.

Concentration and dedication guided CHS students, teachers, athletes and coaches through each day. Whether it was serving a tennis ball, cheering your team to victory, running for the winning touchdown or just doing homework, time, effort and devotion proved necessary for success.

(above center) Paul Hatchett and Patriva Mack cheer on Rubber Band. (left) Mike Kennedy puts forth great effort as he serves a game. (above) Who knows what goes on behind closed doors?

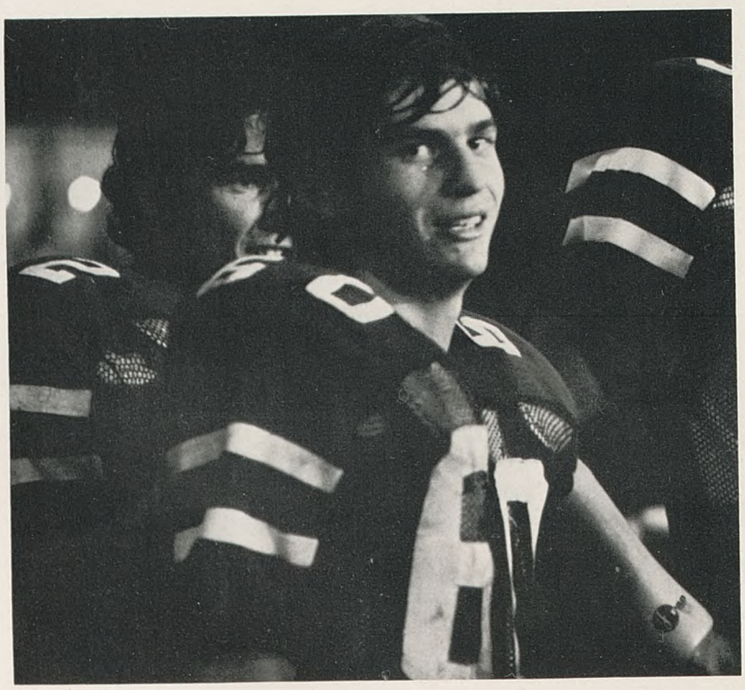

Students Shared Many Activities

Participation in class work, sports, clubs, and Crimson and Grey Band and other various school activities gave students enjoyment. Frontier day added amusement to history classes, athletics brought excitement to Tornado supporters, while the Pep Band added entertainment to all Clearwater home basketball games.

Free Time Was Spent Wisely

With the addition of double sessions CHS students found they had plenty of leisure time to do as they wished. Around school students spent their time wisely, studying in the library, eating in the cafeteria, or just socializing with friends.

School Life Proved Enjoyable

Student life evolved around school activities. Club projects such as carwashes and field trips kept students occupied. During the week, attending classes and visiting with friends kept everyone content.

Underclassmen Weren't Underspirited

Entering high school was a big step for freshman and sophomore class members. Having mornings free and being able to eat their lunch at their favorite hamburger place, instead of at the school cafeteria brought them many new adventures.

Shared Moments Filled Up A Year

New courses brought many new and exciting ideas to Clearwater High. Students went on field trips, attended several conventions and luncheons and participated in many tournaments throughout the year.

Big Name Groups Drew Crowds

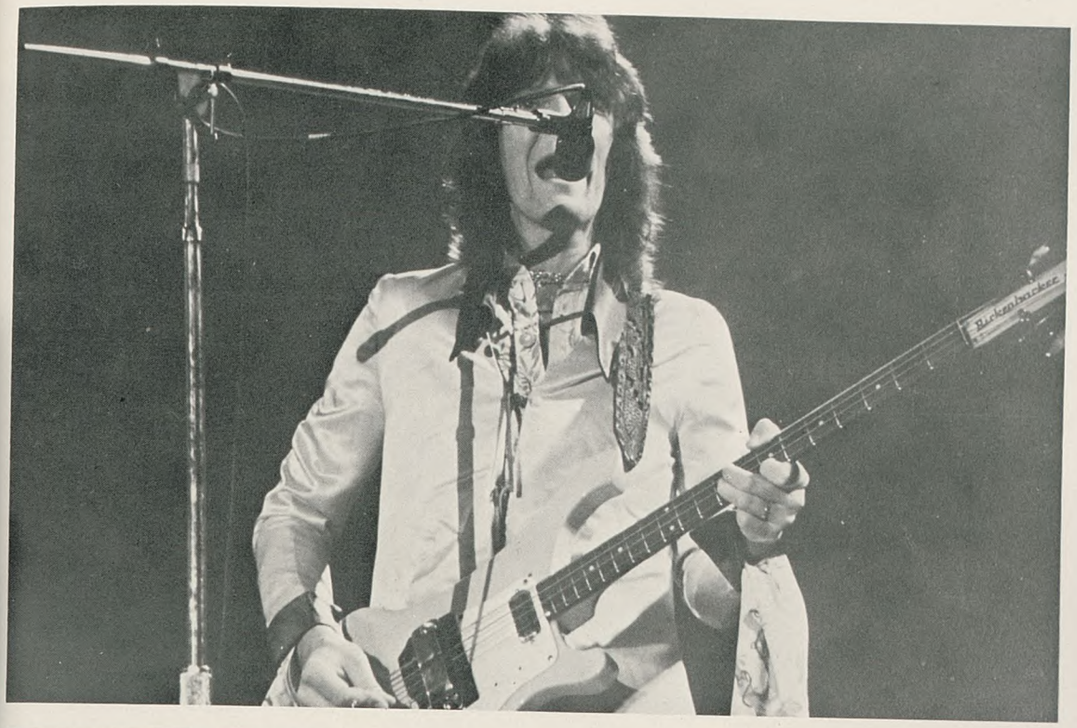

Concerts gave students a chance to escape from the tensions of the week, as they fled to Tampa Stadium to see several great artists. Yes, Humble Pie, Rod Stewart and Alice Cooper were among the concerts that were seen and enjoyed.

Students Enjoyed Quiet Moments

Students enjoyed moments of peace and quiet and a chance to escape into their "own world." College retreats, held for seniors, gave students a weekend away from home and plenty of leisure time. For others who spent their weekends in town just relaxing on the beach or at a public park was satisfying enough.

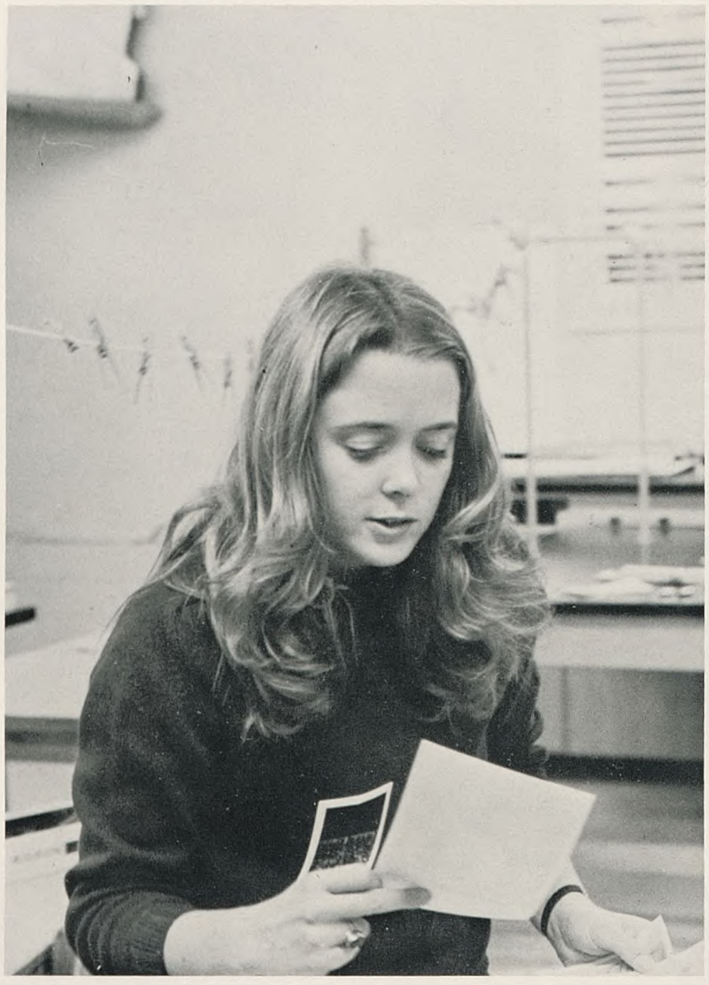

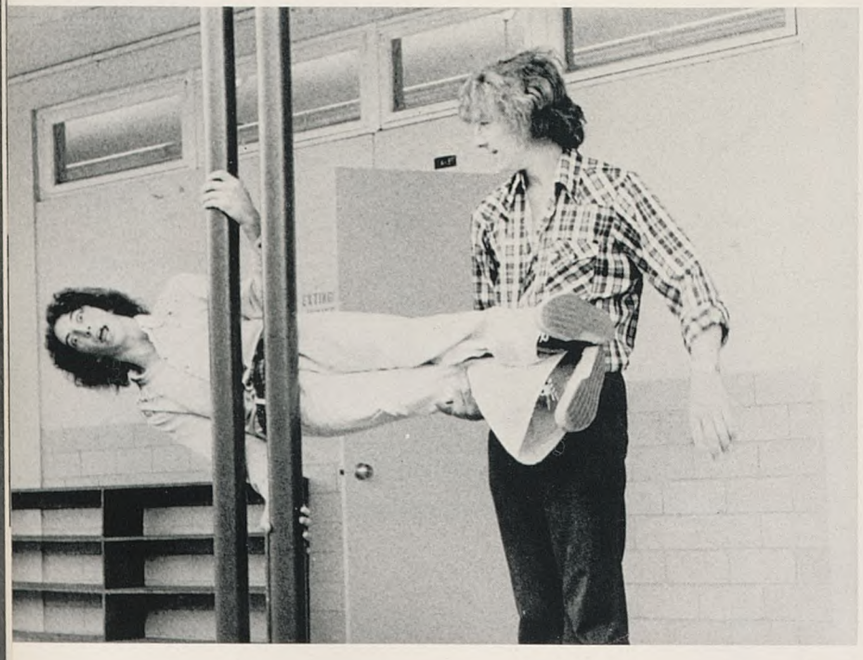

(top left) A peaceful atmosphere prevails on FSU campus. (above) The classroom seems to find students doing everything but studying. (bottom left) Jan Rutenburg finds a quiet place to study.

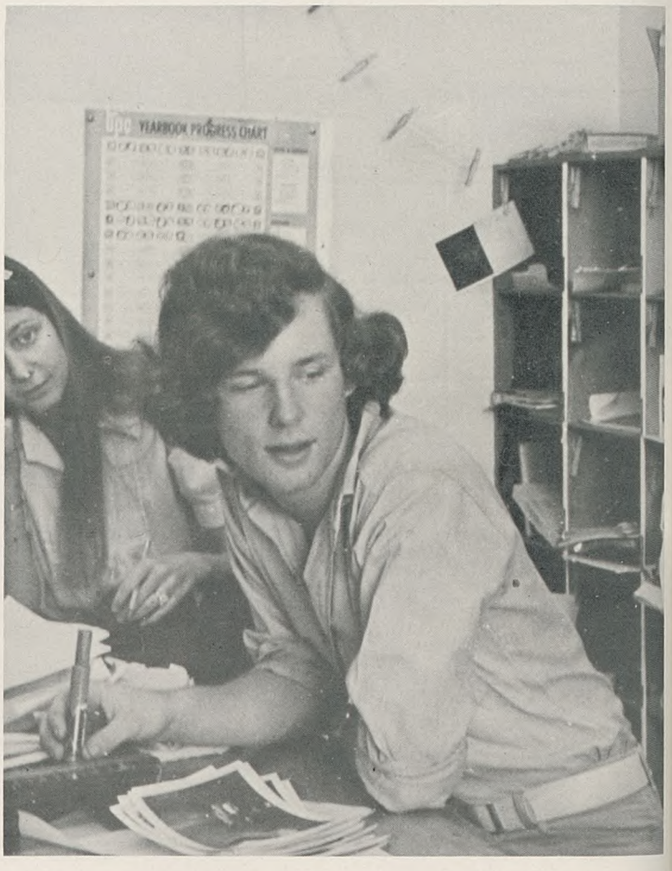

Photographers Shared Darkroom

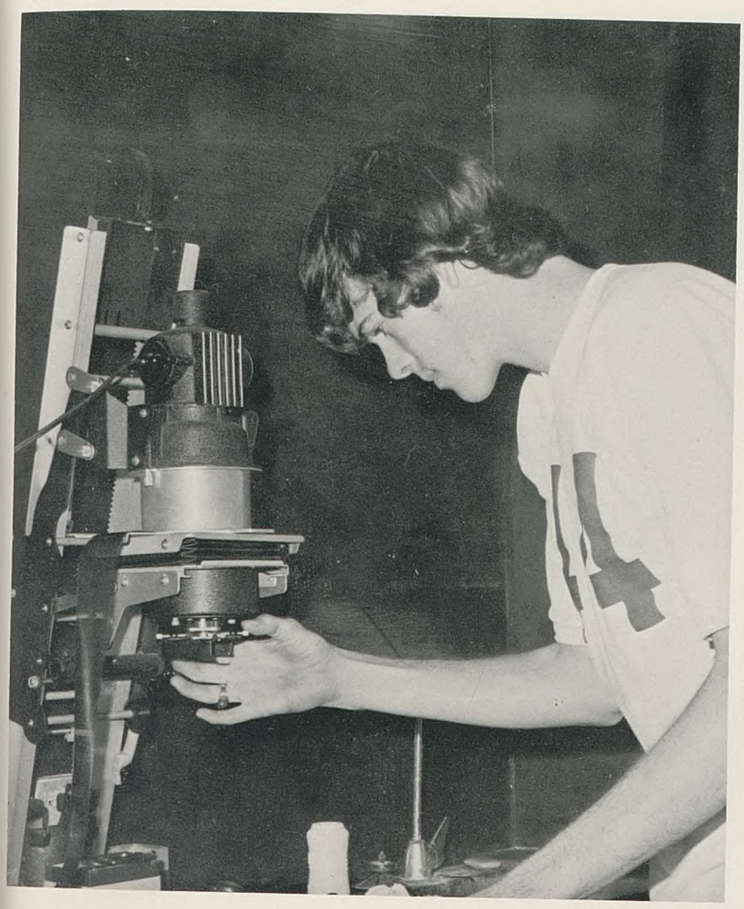

Student photographers Tricia Priest, Chris George, Pat Hickert, Rob Baker, Peter Callahan, and Flip Haynes spent a great amount of time in the taking, developing, and printing of pictures for the three publications. Sharing the school darkroom, the photographers managed to supply thousands of pictures for Aqua Clara, Clearlight, and Fathoms.

Justice Reigned Through Halls

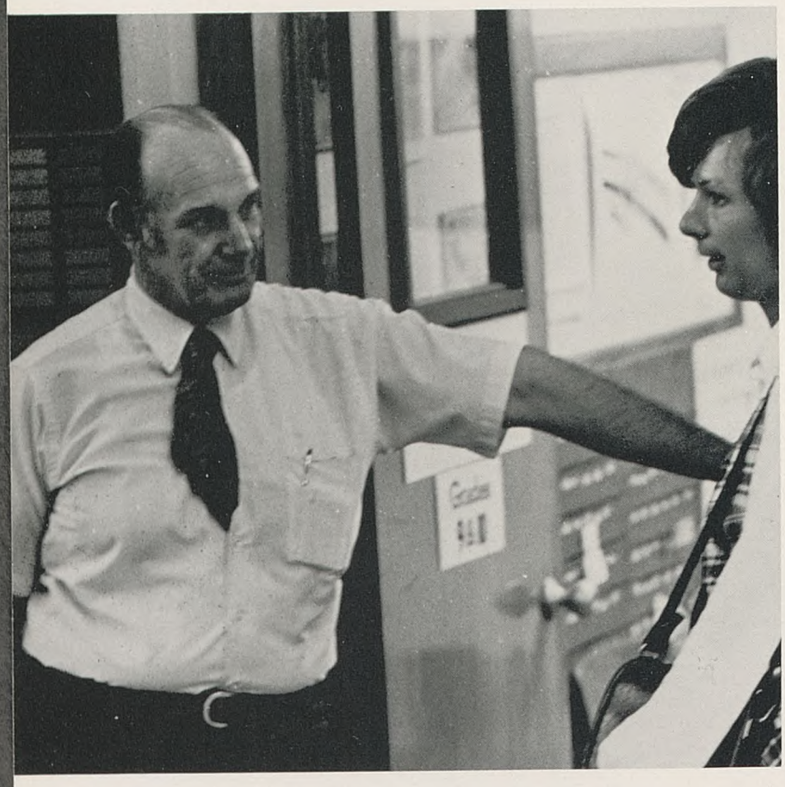

Mr. William Justice, returning for his fourth year as principal, saw the arrival of many changes at CHS. Ninth graders joined the student body along with teachers from surrounding junior high schools. This was the largest student body and faculty Mr. Justice had ever supervised but he welcomed the challenge.

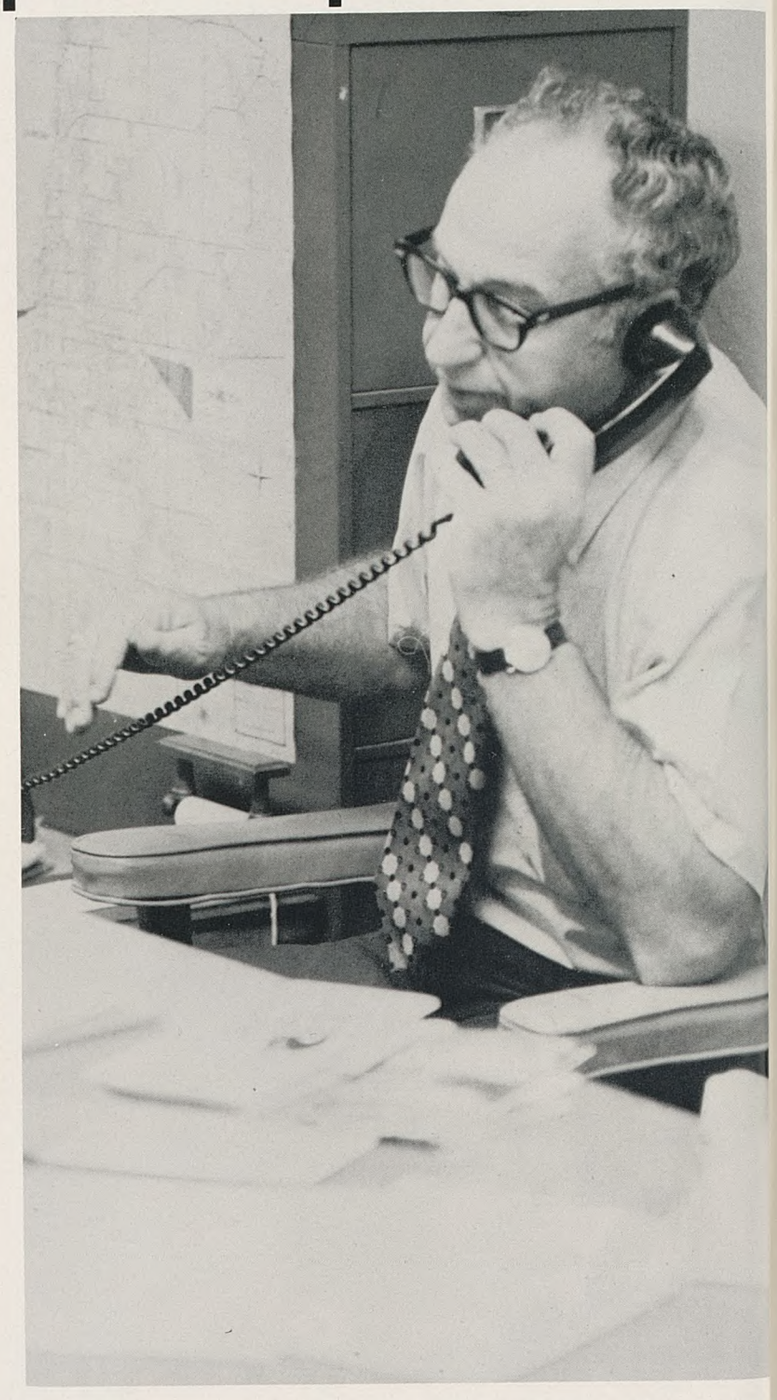

(top and bottom) Mr. William Justice, Principal.

Assistant Principals Helped Out

Mr. Garnett Williams found this year was much easier with the help of Mr. Russell Stichler, who was the assistant principal in the afternoon. Also with the help of the extra deans, Mr. Williams found more time to work with students and get to know them better. Mr. Stichler had been Practical Arts Department head and Shop teacher of CHS for a number of years.

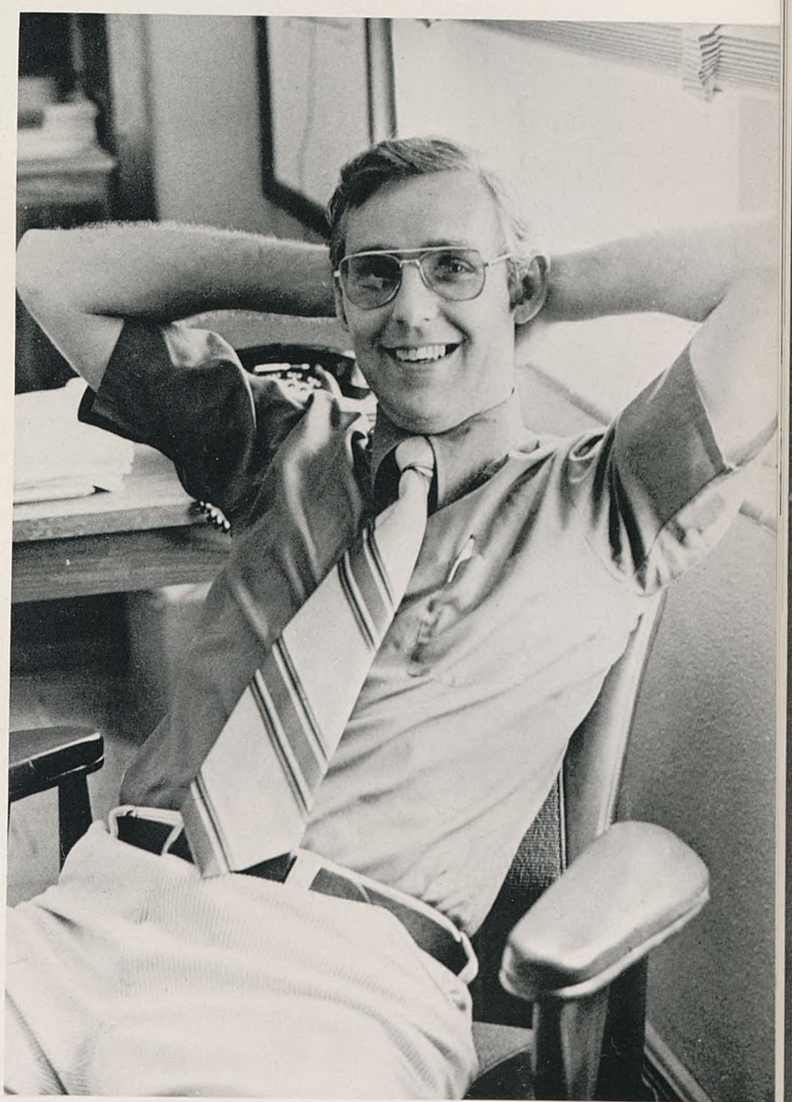

(right) Garnett Williams, Assistant Principal. (left) Russell Stichler, Afternoon Assistant Principal.

Activities Director Sold Tickets

Responsible for coordinating extra-curricular activities at CHS was Mr. Harold Reddick. Changing jobs from driver's education instructor last year to athletic director provided him with a number of different jobs and schedules. Included in his new work was the responsibility of getting and selling tickets to home and away athletic events, which kept Mr. Reddick extremely busy.

Mr. Ronald Isackson faced a tedious year. The addition of the ninth grade meant more schedules had to be made out and the large amount of seniors graduating at mid-semester was another problem.

(above) Harold Reddick, Activities Director. (right) Ronald Isackson, Registrar.

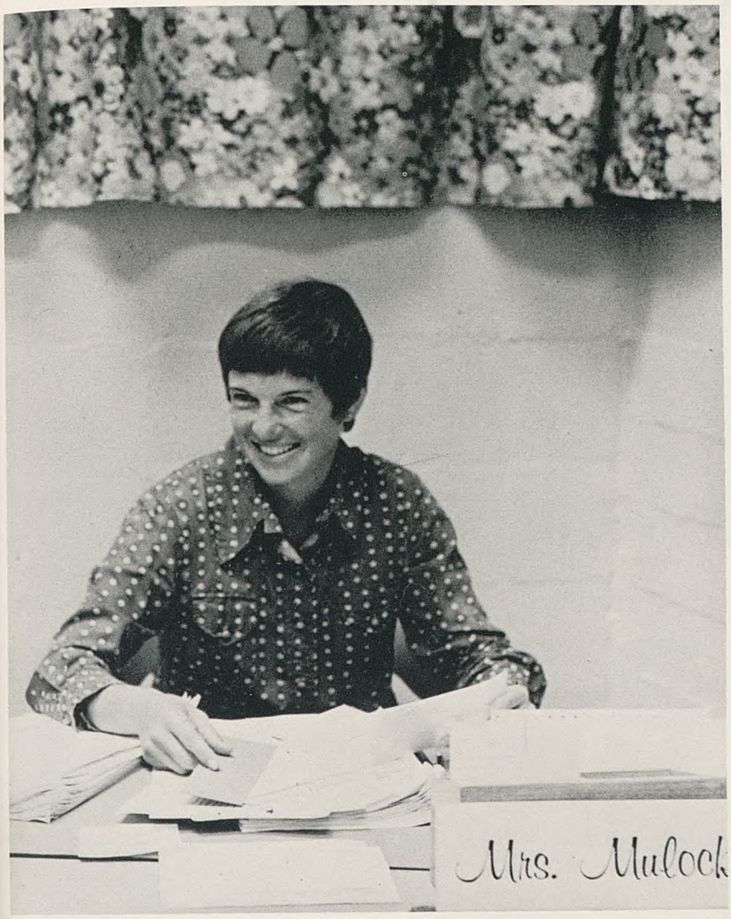

Afternoon Session Had New Deans

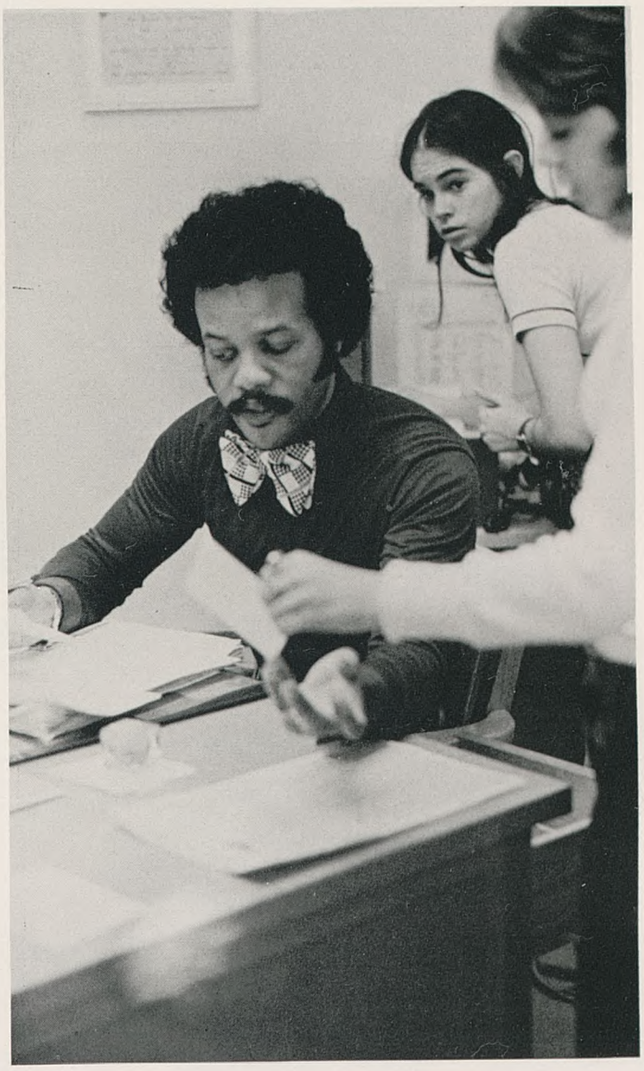

With double sessions and the addition of the ninth grade class, two new deans were added to the department. Mrs. Lenore Mulock took charge of the ninth and tenth grade girls, while Mr. Alphonso Clark was dean of boys in the afternoon. Miss Pat Myers and Mr. Jerry Hyde continued as deans of senior and junior girls and boys respectively. To accommodate for the incoming freshmen, a new dean of girls office was built where the A mall locker room used to be. This gave Miss Myers and Mrs. Mulock much more room with which to work. The time out room, a place where students could discuss problems was also added. In charge of this program was Miss Sue Street.

New Counselors, Secretary Joined Guidance Effort

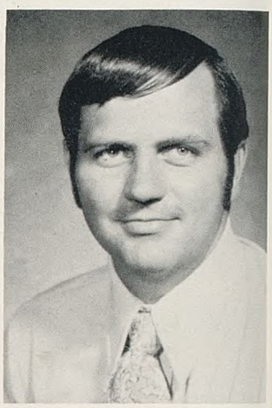

The guidance department enlarged its staff with the addition of two new counselors, Mr. James Montgomery and Mr. John Nicely. To help with ninth grade counseling Mr. Montgomery transferred to CHS from Kennedy Junior High, while Mr. Nicely replaced Miss Bettie Pace. To give the counselors more time to help the students, a new secretary, Mrs. Irene Roop was also added to the department. Mr. Vincent Boruta continued his job as vocational specialist.

Students Got Individual Attention

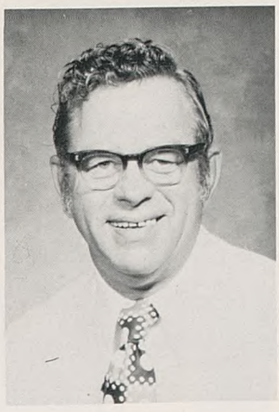

Double sessions did not seem to have any effect on the math department. Ninth grade math transferred to Clearwater High, with many new teachers from the various surrounding junior high schools, advancing to the high school curriculm. In order for students to get more individual help from teachers, pod classes were discontinued and math was taught in separate classrooms.

With double sessions there was a demand for more English teachers. The English department acquired three new teachers, Mr. Andy Anderson, Mrs. Terry Clark, and Miss Jeanie Taylor. Also the transfer of seven teachers from other schools was needed to teach the ninth graders. Mrs. Zelpha Walsh, a secretary for the department, also added to the list of newcomers. The big project for the English department was the addition of a reading laboratory.

Aeronautics Sent Students Flying

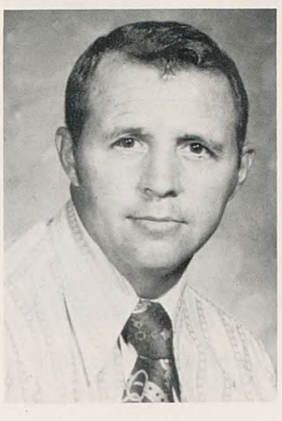

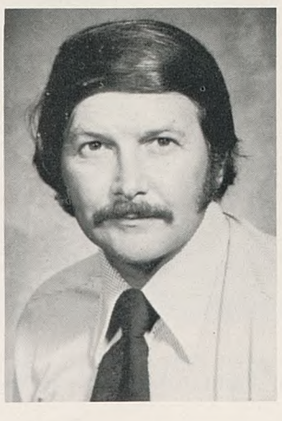

The science department has added three new courses to the curriculum. The ninth grade general science program was taught in nine week segments with students rotating from physics, chemistry, earth and math science. Engineering Concepts was offered to eleventh graders. The course dealt with problems of modern technical society and how these problems can be solved. Aeronautics, a course offered to seniors, dealt with such topics as meteorology, navigation, and history of flight.

Anthropology Dug Up The Past

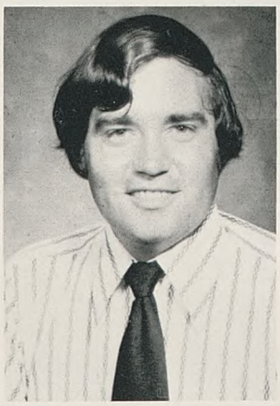

Mrs. Ransom highlighted the social studies department with her new course, Anthropology. With the new load of students, many new teachers were added to Clearwater's teaching staff. Donald Chamberlin, Dorothy Cobelo, Conely Rockett and Terry Quessenberry taught Civics, while Tom Anderson and William Tsacrios taught American History. Bible History was taught by Susan Cornett. A new duplicator was a frustrating addition with the paper shortage limiting its use.

Drivers' Ed Changed Lanes

Mr. Keith Eidson was added to the drivers education teaching staff, replacing Mr. Harold Reddick, who was appointed activities director. The department moved from Pod B, and into the cafeteria annex. This decreased the size of classes from ninety students to about sixty, but increased the number of classes during the day.

Students Studied Business World

The Business Education department offered a wide variety of courses to help students gain a new insight into the many faces of business. A course in Consumer Economics gave students a chance to study problems related directly to the business world. Students who took this course, strove for a basic knowledge of business and consumer economics.

To be able to help the incoming freshman and sophomore classes interested in work experience, Mr. Don Keller and Mr. Keith Arnold were added to the teaching staff. Two other additions to this year's staff, Mr. Leo Myers and Mrs. Betsy Hill taught Gas Engines and Project Distributive Education respectively.

The Marine Corps Junior ROTC faculty was comprised of two instructors — Sgt. Major Hamm, here for his second year and Lt. Col. Moody, a newcomer to Clearwater High. The academic program was centered around developing good citizenship. Patriotism, leadership and responsibility were a few of the concepts stressed in the classes. ROTC also took on a new look this year, offering the course to girls.

Phys. Ed. Cut Participation

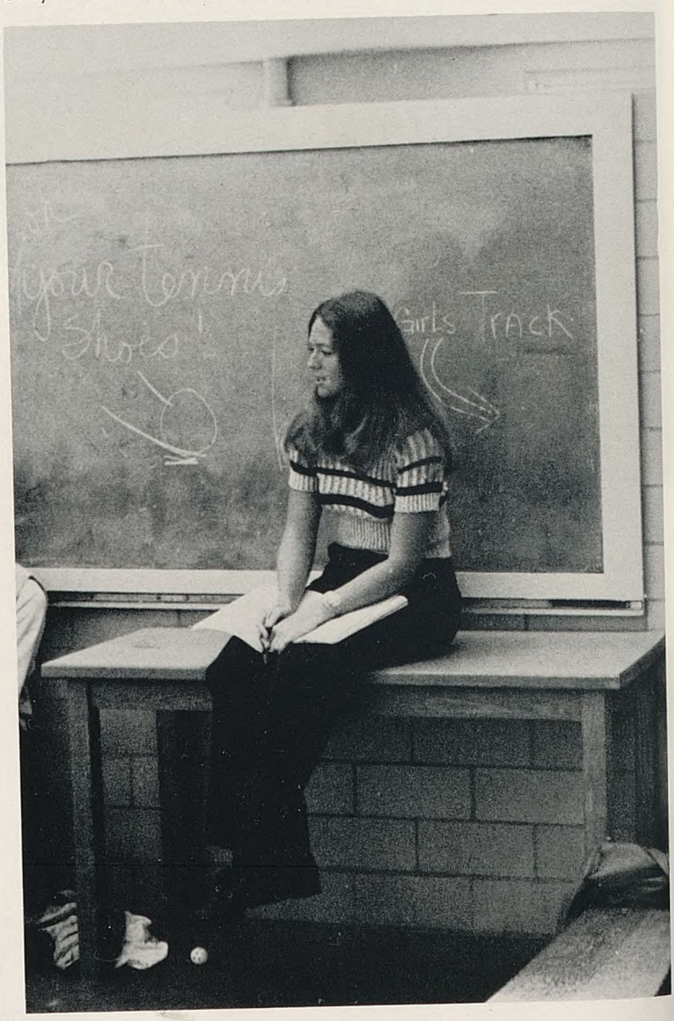

Physical Education saw the arrival of a new teacher Mr. William Matthews. This was the first time a husband and wife team had ever worked together in this department. All ninth and eleventh graders were required to take Phys. Ed. The tenth graders were not required to this year because of the large number of students and the use of the gym facilities. Twelth graders were able to take Phys. Ed. by approval only. These classes were limited to thirty students.

Home Ec Broadened Its Seams

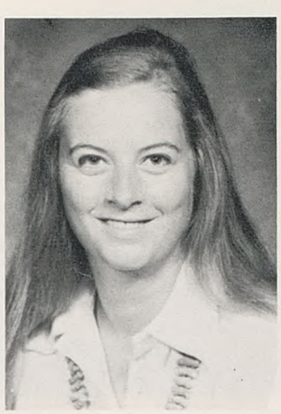

With the addition of two new teachers, the home-ec department expanded to five full-time instructors. With the growth of consumerism there was a greater demand for home economics courses. An additional room, C-ll joined the home-ec complex.

A new occupational course, Child Care Services, was begun this year. It is designed to prepare girls for employment as aides in child care centers and schools.

Industrial Art Classes Doubled

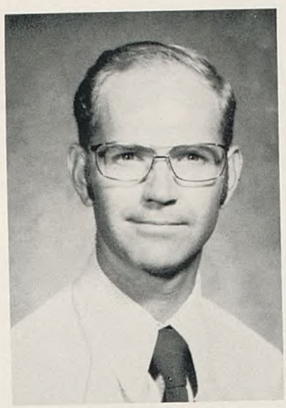

With double sessions and the addition of ninth graders, the industrial arts department expanded its classes from five to ten. To meet this increase in classes, three instructors were added to the staff, bringing the total number of teachers to six. Another change was the enrollment of about thirty girls into this program. Courses offered were metal and wood shop drafting, and consumer electronics.

Students Acquired Foreign Tongues

The foreign language department expanded with the addition of two new teachers. Mrs. Etelvina Schneider, and Mr. Hans Bos taught Spanish and German respectively. Mr. Richard Martinez also extended his field of teaching by taking over a few Spanish classes. Plans were in progress for an international magazine consisting of bits of Spanish, German, Latin, and French culture.

Band Students Drummed It Up

Again the band anticipated a trip to Virginia Beach, where last year they were ranked fifth in the United States. Under the direction of Mr. Don Hacker, the ninth grade band, which performed in a pre-game football show and a Christmas concert, was added to the department.

The choral department under the direction of Mr. Dale Stonecipher put on a pop concert for the first time. Other performances included their Christmas concert in December, and in February a program at the Bayfront Center.

Budding Artists Paid New Fees

With the addition of one new teacher, Mrs. Barbara Baldwin, the department had four full time teachers, making it one of the largest departments in the county. Courses included were Arts 1, 2, 3, and 4 and Arts and Crafts. Due to the increase in economy, second semester there was a fee charged for all art classes.

Book Check Thwarted Theft

This year, the library installed a new book check system to cut down on theft. Many new books were purchased to aid the increased number of the student body. Also, Mrs. Ruth Tharin, afternoon librarian, was added to the staff. With the elimination of free periods, students used the library more for study.

Secretaries Helped Lighten Load

Many new secretaries were added to Clearwater High. Mrs. Delores Snyder was added to the dean of girls office while Mrs. Irene Roop was added to the guidance department. With the new job of activities director, a secretary, Miss Desaulniers was added to the department.

Students Helped Custodial Staff

Double sessions meant a lot of extra work for the custodians. With the heavy load of students, more help was taken on to make the job a little easier for the department.

Since seniors and juniors had afternoons free, many students worked on the custodial staff after school.

Cafeteria Opened New Snack Bar

Bag lunches and the snack bar were added to the cafeteria this year in an effort to encourage students to eat at school. The snack bar opened at 8 a.m. for early morning students and the cafeteria remained open from 10 a.m. to 1:30 p.m.

Council Won Exemption Battle

The Student Council concentrated its efforts primarily on the academic aspects of student life. Highlights of the year were accomplishments such as final exam exemptions for all students, itroduction of "Black Studies" into the curriculum, working towards an expanded music program with suggested courses in guitar and piano. Other activities included an informative law assembly, a Christmas dance, Student Government exchange with other schools, a recycling project and the introduction of a Student Activities Committee.

Interact Members Donated Plaque

Interact was involved in many activities: a peanut push, working at the Free Clinic, challenging the WFSO basketball team, holding a car wash, and collecting funds for Lanni Langford. Some of the money from these projects went toward a plaque commemorating the ten men, from CHS, who died in Vietnam. Interact also chose eighteen "Sweethearts" who participated in all the activities and attended the luncheons with the Interact members.

AFS Club Aided Exchange Students

American Field Service members participated in many fund raising projects throughout the year, making it possible to bring more exchange students to Clearwater High. The foreign students included Ay Ling Han from Japan, Wolfgang Wingarth from Italy, Carlos Malizia from Argentina, Keiko Koyasu from Japan, Slobodan Vujisic from Yugoslavia, Dan Fagrell from Sweden and Shanil Samji from Uganda.

Key Club Cleaned Up Campus

Keeping the area around the War Memorial clean, and beautifying the front of the library kept the Key Club members extremely busy. Kiwanis take-over at the Fort Harrison Hotel, participation in Homecoming, a tubing party with the Key-ettes, and a basketball game with WFSO completed their social activities. The traditional Key Club Calendar was published before Christmas.

Nostalgia Set Dance Theme

Helping others was the theme for Keyettes in '73-'74 as they aided a needy family at Thanksgiving, sang Christmas carols for area nursing home patients and "adopted" Velma Nez, an Indian girl from Arizona. Social and fund-raising activities such as a tubing party with the Key Club, participation in Tornado Tales, a "60's" dance and a carwash completed the Keyettes successful year.

Aqua Clara Crystallized New Ideas

This year's staff was made up almost entirely of seniors. They had a much greater work load due to the addition of the 9th grade class. The color division pages were also an extra, adding to the color opening and senior section. The staff worked with the challenges of 3,600 students and split sessions.

Clearlight Innovated Colorfully

Clearlight Co-Editors Anne Dinger and Peter Dunn led the staff into many new ideas and projects. "Deadline Delerium", a humor page created by John Gregory and Jack Jones, was one such venture. Guided by advisor Mrs. Shirley Broad, the Clearlight became one of the few school papers in the state to print several issues in full color for the second year in a row. To prepare sophomores and freshmen for publication work in the future, an afternoon journalism class met with Mr. Robert Hassall.

Fathoms Doubled With Sessions

Realizing a long-held goal, the creative magazine Fathoms wnet to two issues in 1973-1974. The staff for each edition was chosen from each semester's creative writing classes. Students from the entire school submitted prose, poetry, and artwork and those selected by the Reading Board were published. Staffers set the type and did all photography and layout. Fathoms delegates competed at the Florida Scholastic Press Association convention at Daytona Beach along with teams from Clearlight and Aqua Clara. Mrs. Marietta Bricker and Mr. Tom Pierce were advisors.

The Organization Stressed Unity

Created to bring about new student activities and to emphasize unity, leadership, togetherness and elimination of apathy. The Organization recruited about 130 members. One group activity included a trip to a movie theater to see "The Greatest Story Ever Told." Repainting parking space numbers was the big project of the year.

Cadettes Joined Ranks Of Cadets

Marine Corps Jr. Reserve Officers Training Corps marched forward into second year, with the color guard and the drill teams as part of the program. The big change was the addition of seventeen girls into the ranks. This meant some new courses, but mostly the girls worked right along with the boys in class and on drill and athletic fields. Car washes, picnics and orientation trips kept members busy throughout the year. In April JROTC students attended Camp Lejeune in North Carolina.

DE Experienced A Fulfilling Year

Mrs. Elinor Burger and Mrs. Ruth Pope both sponsored a chapter of the DE program at Clearwater High. Many banquets, luncheons and breakfasts were attended by members. Several conferences were also attended as students won many awards in display, advertising and job interviews. Mrs. Pope's group was voted Chapter of The Year for District XIII.

FBLA Captured Many Awards

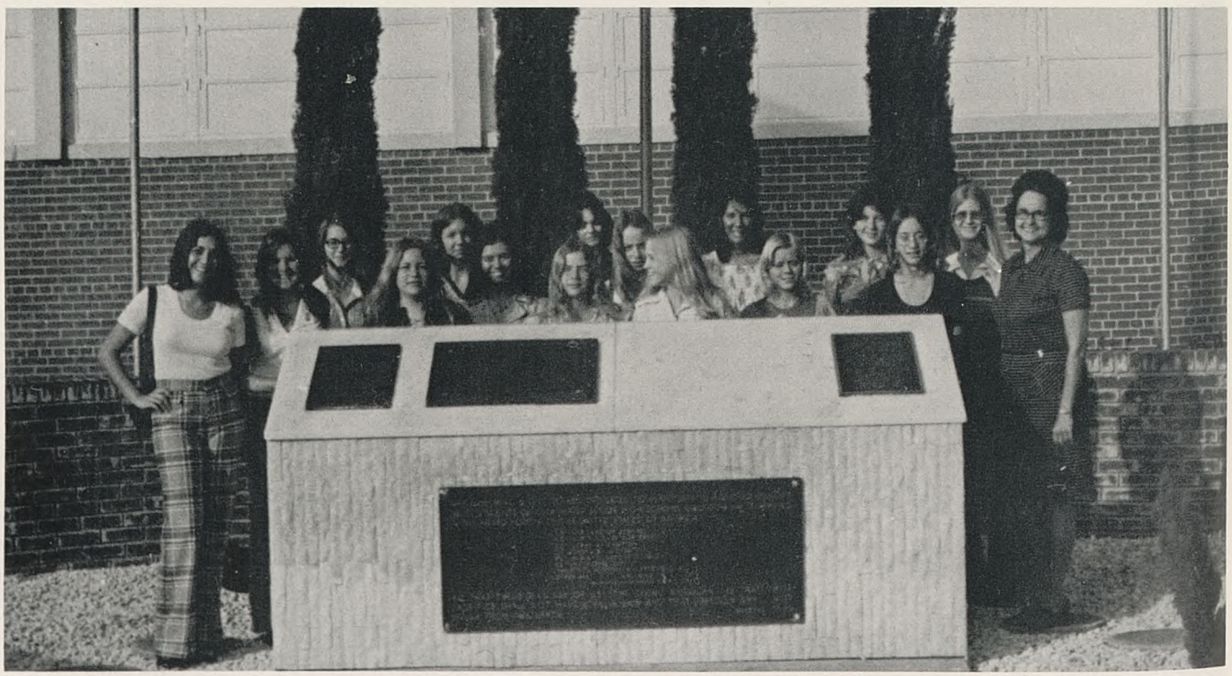

Members of the Future Business Leaders of America attended the state and national conferences, where they received three national awards. Students also worked at their various jobs, and entered many business orientated contests. Jill Shaffer was elected vice-president of District Six, which covers four counties.

DCT Chapter Won District Slate

Each year the DCT chapter competes with other schools at the District 12 Meeting which involves various contests in many fields. CHS students captured honors in such events as extemporaneous speaking, spelling, photography, food services, poster design, and successfully obtained all office positions at the meet.

Band Received Superior Rating

The Crimson and Grey Tornado Marching Band performed at all football games, in many parades and put on several concerts during the year. Superior ratings were awarded to the band at the FBA Marching Band Contest, which was held in Clearwater. A new addition to the curriculum was a freshman band, which performed in many concerts and at a pre-game show before a football game. For the second year in a row plans were made to attend the Virginia Beach festival in June.

(above left) Tornado Marching Band had intricate steps to memorize along with the music. (above right) Band students eagerly await their performance at halftime.

Choral Groups Shared Harmony

Having four choruses to direct, Mr. Dale Stonecipher had a busy, yet successful year. In November, all the choruses combined to sing in a Pop Concert, while in December the Concert Choir and the Pop Ensemble presented their annual Christmas Concert. February saw the choral department combining with seven other schools at the Bayfront Center to perform in the production, "Music that Made America Sing."

New Flags Added Color

Adding much glitter and sparkle to the marching band's music, the majorettes performed at all football games and in several parades and band contests. Large flags, one of the new features for '73-'74, added a lot of color to the band's halftime performances. New red and black uniforms with coattails highlighted the year.

Half-Time Sported New Routines

Several new halftime performances were seen at football games, as the Tornadoettes learned various new routines under the direction of their new sponsors Daisy Brunson and Susan Long. In order to raise money, they had a Tag Day during the summer and also sold chocolate candy at area malls.

Pep Club Boosted Spirits

Forty enthusiastic and energetic CHS students gathered together at football and basketball games to form the Pep Club. Sponsored by Mrs. Connie Mathews, the group wore red jerseys and "Spirit of '74" buttons for identification. Weekly meetings were held so that everyone could learn and practice the cheers and chants with the cheerleaders.

Sea Scientists Sought Specimens

Many field trips were frequent for the Marine Biology Club, as members visited the sponge docks in Tarpon Springs, and the Marine Lab in St. Petersburg. Trips were also made to several local beaches so that members could collect salt water fish to put in their aquariums. For their fund raising project the club held a CHS patch.

Athletics

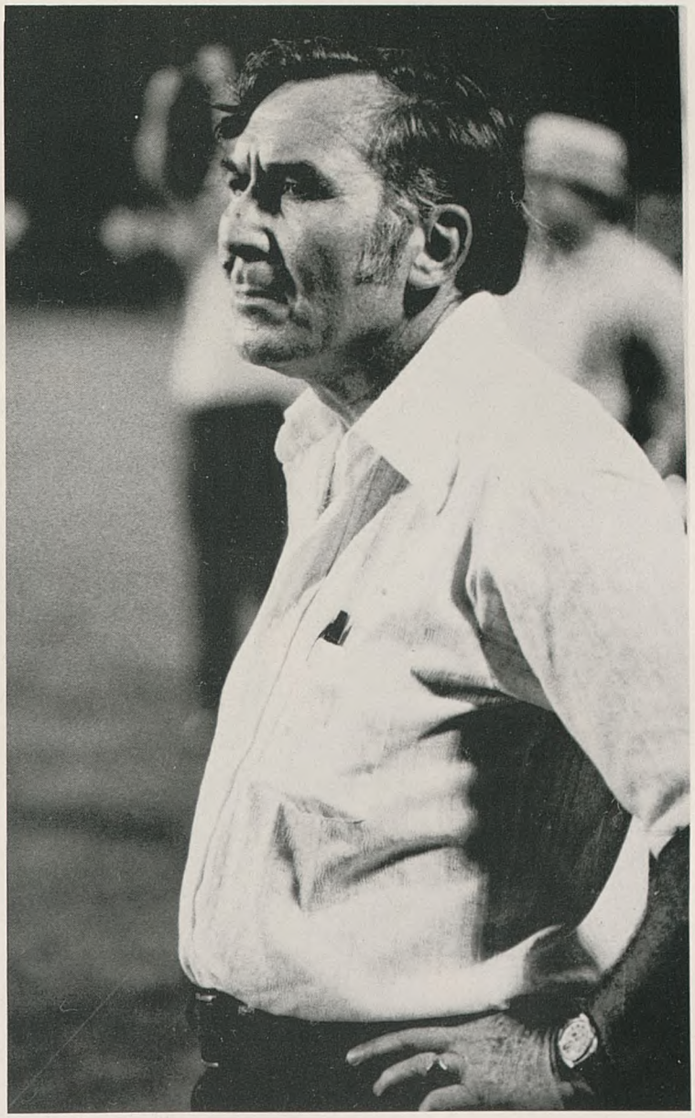

CHS Captured Conference Crown

A preseason pick for obscurity, the football Tornadoes gained strength through teamwork. The team won the Pinellas County Conference championship, regaining the prestige which was temporarily lost last season. Led by Captain Tim Aydt and nineteen returning lettermen, the squad overcame injuries and losses of key players to be first in the district going into the Largo game. A tie with the arch rival Packers ended the season and hopes for the playoff. Led by a rugged defense the team outscored opponents 173-65.

Junior Varsity Supplied Thrills

The double session produced nothing but trouble for the JV football players. The boys had two practices instead of one: a light practice in the morning followed by a heavier one with the varsity in the afternoon. Once again the Junior Varsity supplied the varsity with key replacement for injured players. Coach Don Keller supplied the strategic brainwork for the team.

Freshmen Held Tornado Control

The freshman football squad found the going tough in the early seasons. Two tough losses marred the early going but they battled back to highlight the season with a 26-8 victory over Largo. The team's record was an even 3-3 and they were coached by Mr. Chris Seeger and Mr. Frank Straner.

CHS Gained New Cheerleaders

Freshman cheerleaders now have a place at Clearwater High School. They cheered the ninth grade basketball and football teams to another winning season following the tradition set by former freshman teams. Under the guidance of Mrs. Marie Hill, the six girls inspired crowds to rally behind the teams.

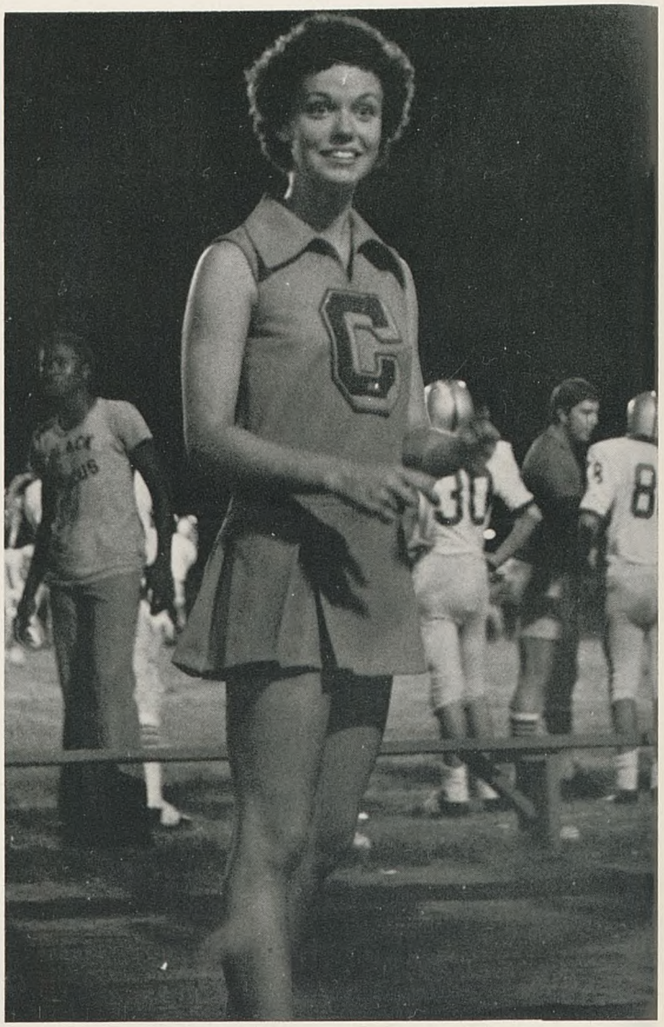

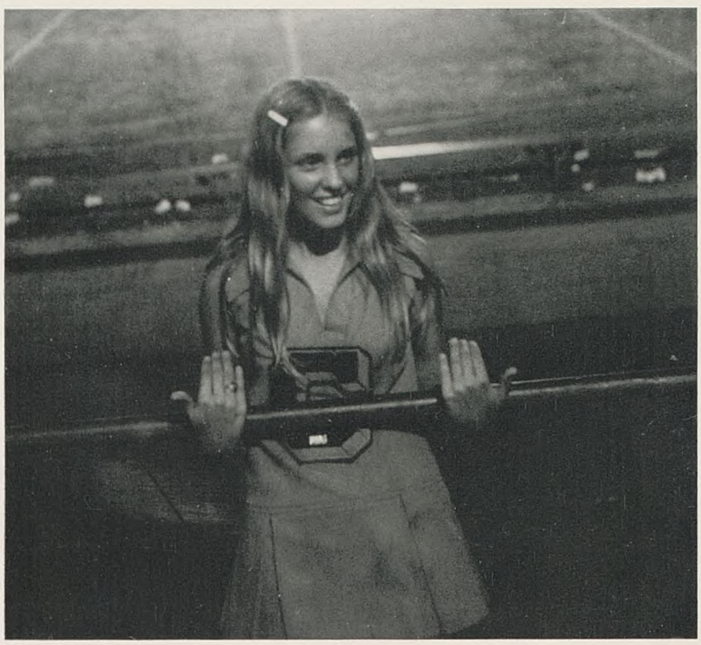

(clockwise from top left) Cheryl Paige stands in preparation for next cheer; Lori Hill and Marilyn Reyes get the crowd cheering; Karen Borchardt, Lori Hill, Marilyn Reyes, Kim Lovelace and Cheryl Pagie pause for a halftime gossip session; Karen Borchardt and Cathy Cook start out the cheers with a smile; Karen Borchardt and Lori Hill get riled up for the start of a basketball game.

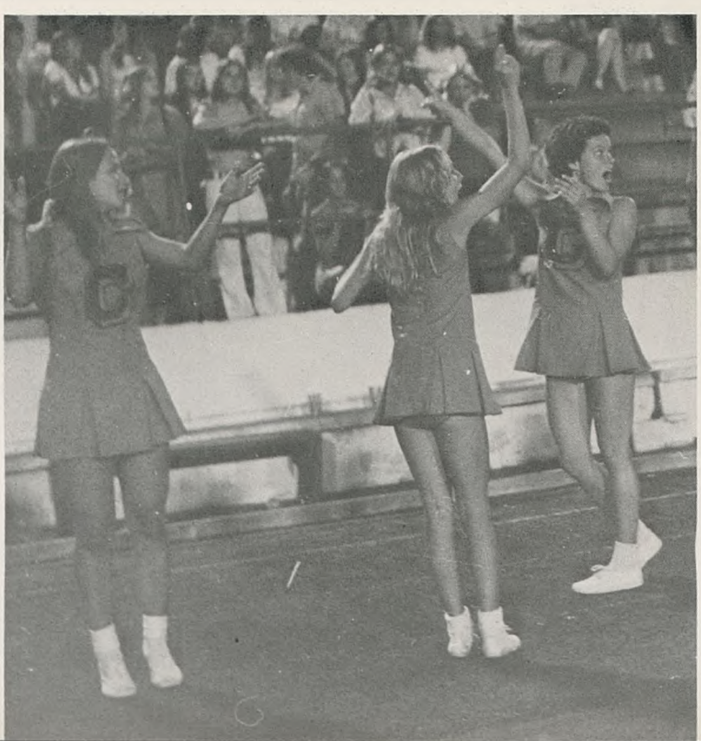

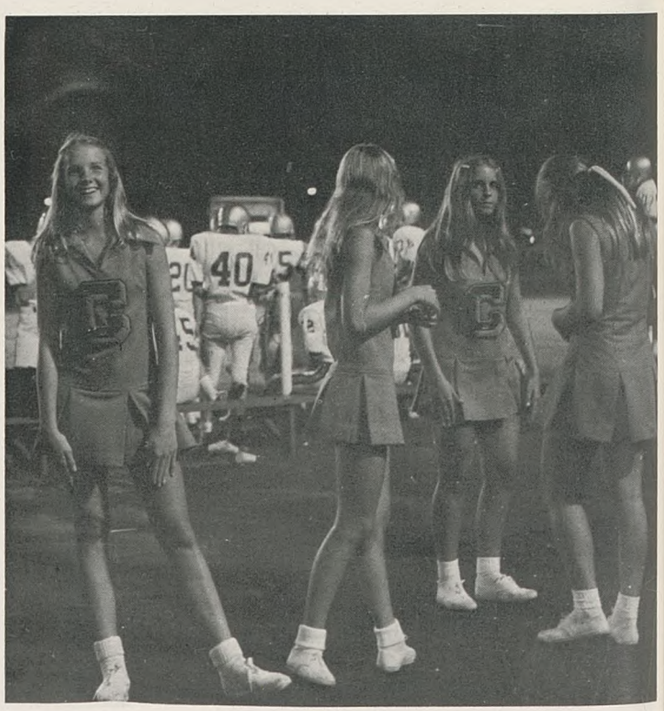

JV Cheerleaders Socked It To 'Em

The JV squad cheered both at their own games — home and away — and behind the varsity at the varsity games. Under the sponsorship of Mrs. Merle McCracken, the JV cheerleaders took their team to a nearly undefeated season. Several of them belonged to the pep Club and helped out in the learning of the cheers.

Cheerleading Brought In New Style

Cheerleading took on a new aspect this year. No longer was it a formalized traditional type of cheering. It was more of a swingy, kicky style. It involved the crowd more, leading to the formation of a pep club. Under the guidance of Mrs. Connie Mathews, this year's squad learned the new snappier cheers such as Frankenstein and Introduce Yourself at the ICF camp in Gainesville. They also collected money for muscular dystrophy.

CHS Gains Experience, Victories

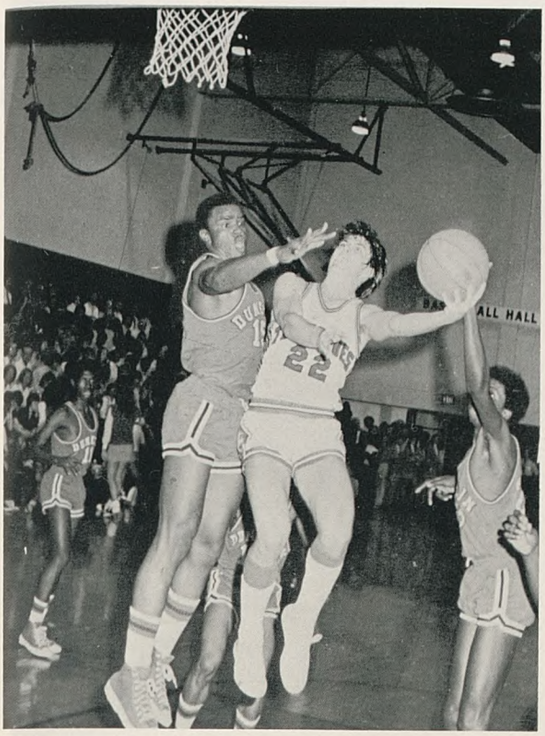

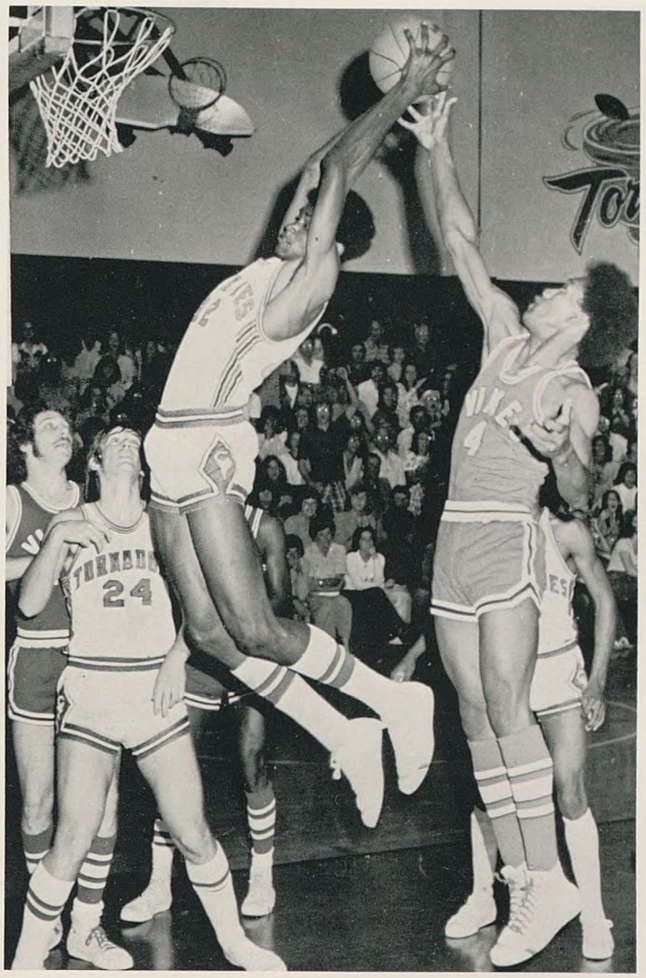

Stingy defense and aggressive offense were the trademark of this year's team. A lack of experience, only two returning lettermen, was made up for with hustle. The Tornadoes had a rough start but victories over Orlando Evans and previously undefeated Northeast highlighted the season. The team, whose record finished at 20-5, was led by Senior Mel Daniels and Junior Anthony Jones, who both made conference all-star teams.

Junior Varsity Attacked Opponents

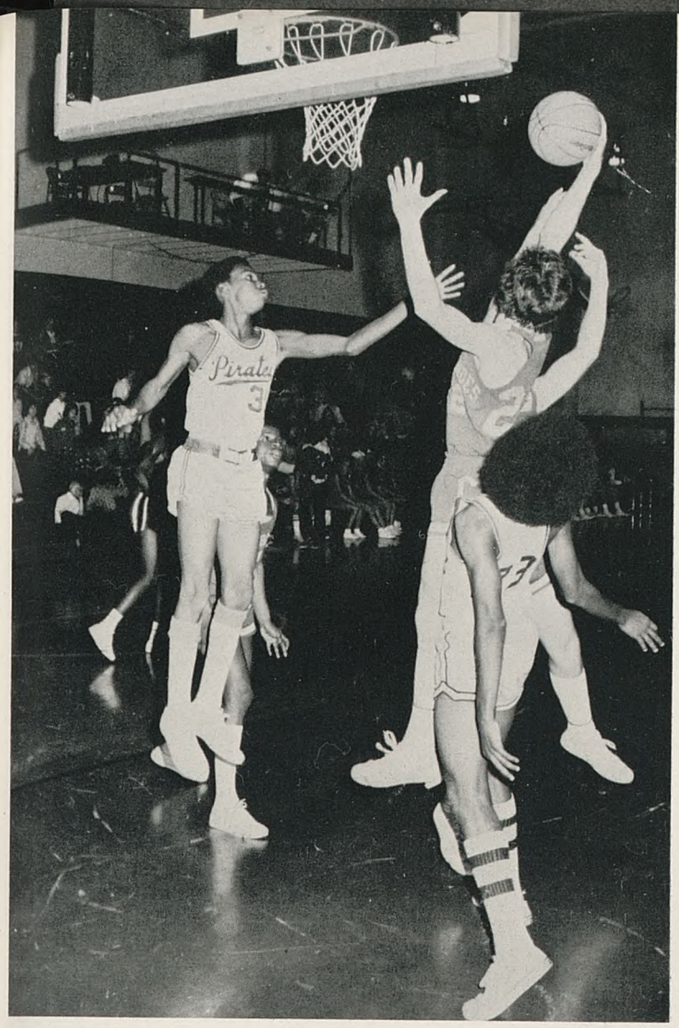

Like the varsity, the junior varsity played strong defense. Under the instruction of Coach Bill Mathews, the team finished with a 19-6 record. Sophomore Billy Jackson finished with a scoring average of over 20 points per game. Other outstanding players were Rick Meriwether and Danny Moroff.

Freshmen Led Undefeated Season

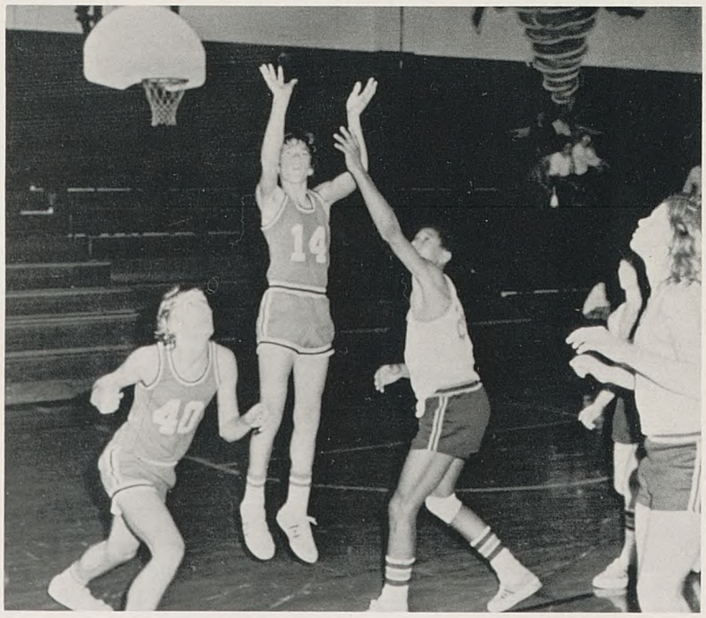

In their first year of existence the CHS freshman basketball team had outstanding success. Led by Coach Tom Anderson the team went through the season undefeated. Bobby Parks consistent scoring backed up by Don Barnes rebounding keyed the team as they outscored their opponents by an average of 28 points.

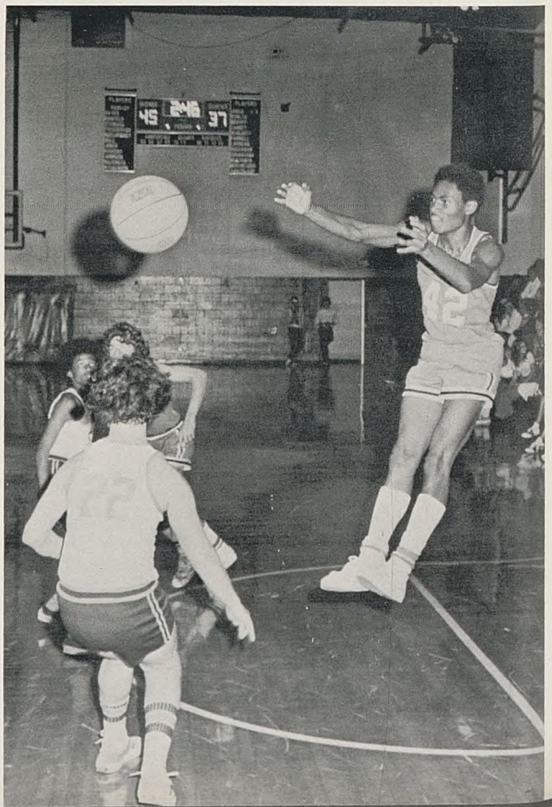

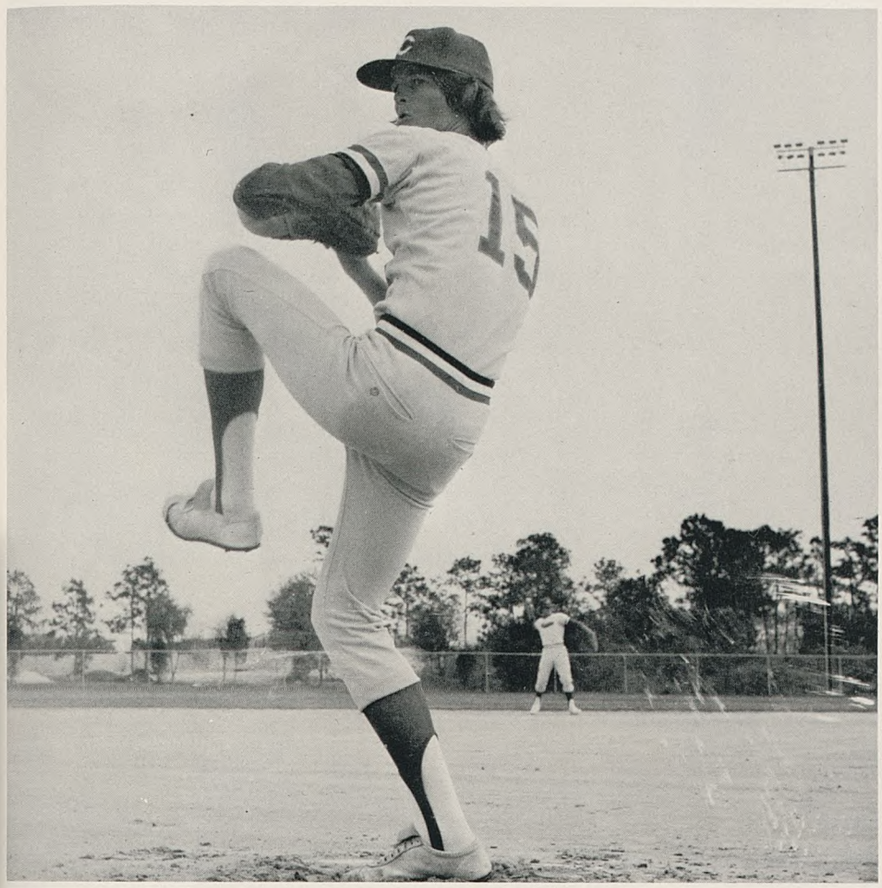

(above, top right) Leonard Macon takes aim against Boca Ciega. (above) Chip Hammond brings the ball out of bounds. (right) Bobby Parks outmaneuvers a confused opponent. (below, left) Joe Barone uses the soft touch to score. (below, right) Leonard Macon fires a pass underneath.

Tornadoes Rank With County's Best

The varsity baseball team, with ten returning players, was one of the toughest in the conference. Coached by Mr. J. P. Nelis, it was also one of the strongest in recent Clearwater history. Seniors Tim Aydt and Jack Ledbetter performed well with juniors Randy Morris, Paul Smith and Mike Bauza showing promise for the future.

J.V.s Played Good, Solid Ball

With a new coach and new uniforms, one thing remained the same for the Junior Varsity baseball team, they still played good, solid baseball. The coach Mr. Don Keller, was in his first year at Clearwater High. Outstanding players were Tom Gibson, Pete Smith and Steve Buchanan.

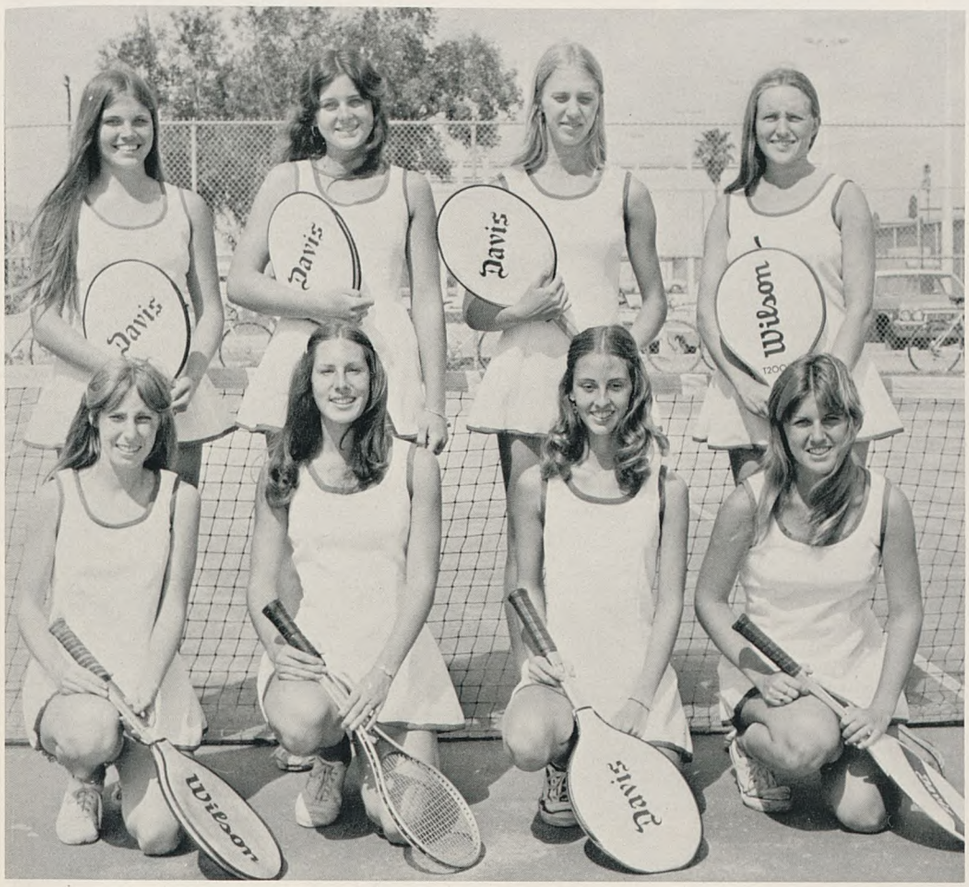

(top left) (1st row from left) Greg White, Greg Currier, Mark Lacy, Brian Burr, John Vantrease. (2nd row) Jim Bronkhorst, Dana Green, Alan Braswell, Joe Verdi, John Peasly. Girls Answered Call Of The Courts

Inspired by Billy Jean King's victory over Bobby Riggs, the girls showed up in large numbers to try out for the tennis team coached by Ms. Connie Mathews. The team practiced daily at the CHS tennis courts. Juniors Virginia Faison, Sharon McBriarty, and Senior Barb Hammond led the team on the court.

Tennis Team Turned Tough

After losing four key players to graduation, the boys team still proved to be tough. The team was coached by Mr. Bill Mathews, in his first year at CHS. Seniors Mike Kennedy and Jack Jones proved to be outstanding players with underclassmen Stuart Faison and Doug Nichols showing promise.

Runners Strode To State Successes

Hard work and dedication paid great dividends for the Cross-Country team. Led by Captain Rick Christner and returning seniors Tom McCann and Chuck Whitman the team finished 11th in the state meet. Coaches Jim Thurston and Keith Eidson advised the boys.

Track Team Sprinted Forward

Led by twelve lettermen the 1974 track team was the strongest one in recent CHS history. The team sold candy to finance new equipment. A strong field of sprinters keyed the team. Outstanding performers were sprinter Elmo Wright, high and long jumper Matt Licht and the mile relay team.

Swim Team Strongest Ever

The CHS swim team, with All-Americans Claire Biron and Peter Eunson returning, were heavy favorites to win the PCC crown. Seminole, who was considered the Tornadoes only serious contender for the title was whipped convincingly early in the season. George Bowers and Dea Loy, both underclassmen, had outstanding seasons.

Divers Dove With Distinction

Led by captain Haven Parker, the CHS diving team dove into many first place victories. Coach John Tscarios prepared the team for various district championship meets. Numerous hours of practice after school and on weekends proved for a successful season.

Golfers Teed Off On Opponents

Although they lost five seniors off the '73 team, the 1974 golfers were expected to be stronger than ever. Senior Charles Buford, juniors Jim King, and Charles King led the squad. Coach Frank Straner gave advice to the boys.

Team Reversed Conference Record

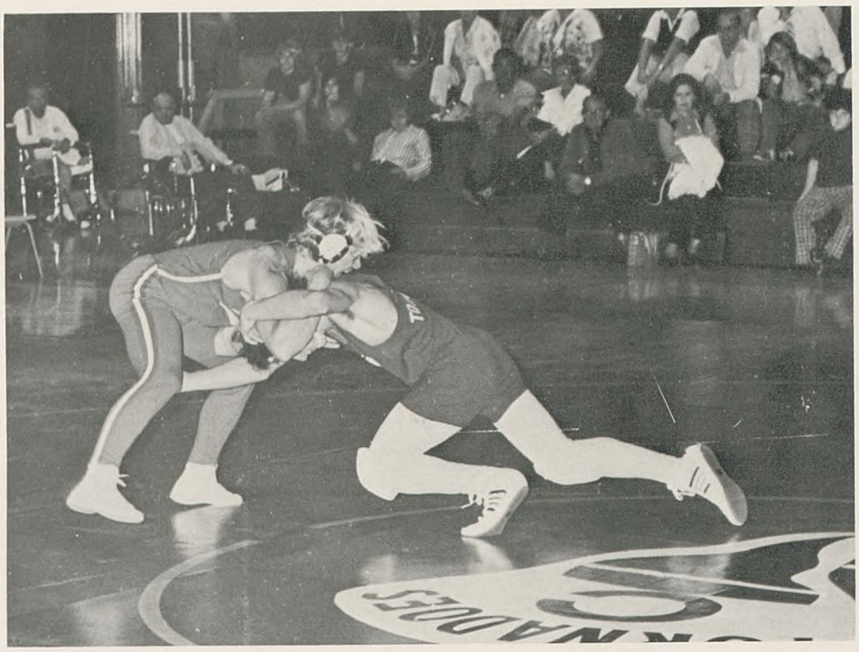

The CHS wrestlers turned their record around this year. Under the direction of a new coach, Gerald Mita, the team finished with a 4-4 record in the conference as opposed to 2-7 last season. Co-Captains Jim Calderbank and Steve Farabee led the team, and Calderbank taking 5th in the State. Underclassmen Larry Davis, Thad Nodine, and Paul Jester showed promise for the future.

Bowling Teams Struck Victory

The CHS bowling team struck up their second winning season for as many years in competition. Surprising everyone the girls' team won both the Upper and Lower County Championship, while the boys won the Upper County. Taking league honors were Del Ferguson's 245 high game and Pete Schneidereit's 641 high series. Both teams were coached by Mr. Lew Fradkin of Hi Lan Lanes.

CLARK® EQUIPMENT

florida clarklift, inc.

811 N. HUBERT AVE., TAMPA, FLORIDA 33609, PHONE 813/877-8341

When you have a material handling problem it can be serious and costly. Let Florida CLARK-LIFT, INC. help you solve it. You will find that we have the most complete line of industrial trucks available — over 100 basic models, with many variations in specifications and attachments. We engineer and recommend what you need. Our sales engineers spend many hours in training sessions and product schools, but of greatest value to you is the fact they are daily involved in the practical solution of material handling problems.

The 1973-74 year was filled with memories of school and social events as well as local and national news. Clearwater Auditorium was torn down while on the other side of the world Princess Anne was wed and the Middle East clashed in a war. *The Exorcist* became a movie and Americans all over flocked to theatres to see this cinematic curiosity. Other popular films which were viewed by many included *The Sting, The Way We Were, Superdad* and *Serpico.*

Sharing in their peers wisdom and thoughts, America's young generation learned to follow the footsteps which we have created. Building on the foundations of life set by their elders, left them a world full of unsolved problems, sorrows, excitements, and joys. Skylab ventured off into space while, back on Earth, eighteen-year-olds won their rights, as the drinking and voting age was lowered.

In a year of political turmoil, Americans saw the resignation of their Vice President, Spiro Agnew, and the appointment of Gerald Ford to fill the vacancy. Watergate investigations continued to erode the images of many political figures. Waiting in line for gasoline, conserving energy, and paying higher prices for meat became common everyday events, as many crises fell upon us. Not all was grim, however. Sneaky "streaking" buffs brought the silliest fad to bare on campuses since their grandfathers gulped goldfish.

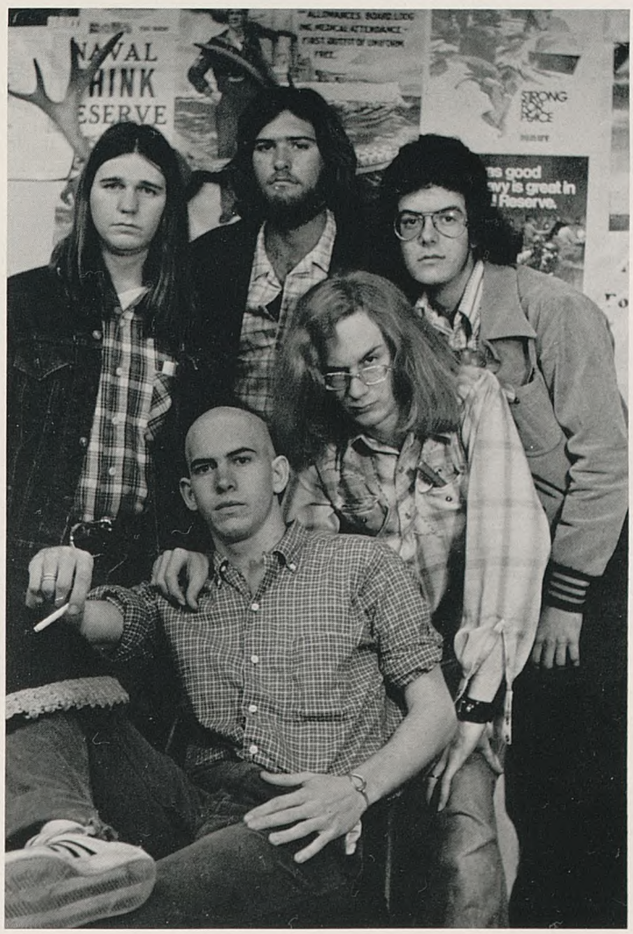

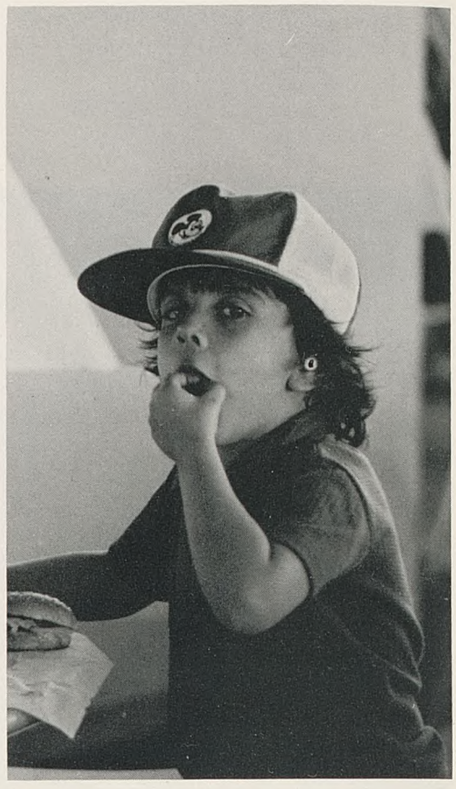

Shakey's became everyone's favorite place to socialize and share in the good times. Many students were seen there every Friday night after the football and basketball games. "Killing Me Softly With His Song" won a Grammy as the best record of the year. Other awards were presented to such performers as Stevie Wonder, Roberta Flack, and Gladys Knight and the Pips.

Billie Jean King gave women's liberation a boost by defeating Bobby Riggs at tennis in the "Battle of the Sexes." Hank Aaron broke Babe Ruth's homerun record, and Muhammad Ali defeated Joe Frazier in their rematch, while Secretariat won the Triple Crown. Super Bowl VIII saw the Miami Dolphins claim sports history, as they became the second team ever to have back to back Super Bowl victories.

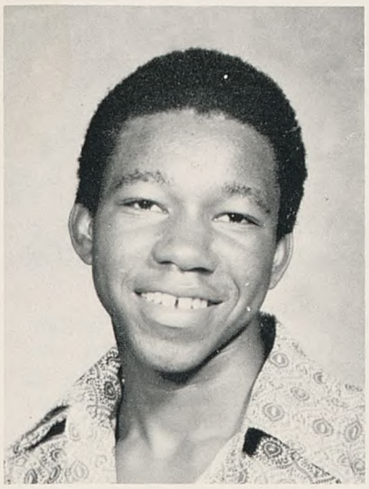

Tragedy struck Clearwater High as students and faculty members expressed their sadness over the death of Lynn Blunt, a CHS student who drowned in the Bobby Walker pool.

Clearwater High experienced a year of new ideas and innovations. Sharing the campus with ninth graders was no problem as double sessions proved to be successful. Class officers returned and many new teachers, deans, and other personnel joined the CHS staff.

At Last

We arrive in this world alone
we depart alone
this time called life . . .
was meant to share.

The Aqua Clara staff worked hard in shaping this year's book, but it would not have been successful without the help and cooperation of others.

My deep appreciation to Bryn-Alan Studios, especially Paul Baker and Ed Beatty, to Carolyn Hopkins, Lon Watters, Ms. Nikki Curris, Mrs. Shirley Broad, and Miss Jean Franks; to Steve Carlisle and Richard Radloff who can't seem to leave us behind, no matter how hard they try. Thanks to our staff photographers, Chris George, Tricia Priest, and Pat Hickert for the long hours spent taking and developing our pictures, and a special thanks to Peter Callahan on whom we could always depend. To Nancy and Beth for the much needed, and very unique, lunches, and especially to all the "spacey" people without whom the book wouldn't have made it.

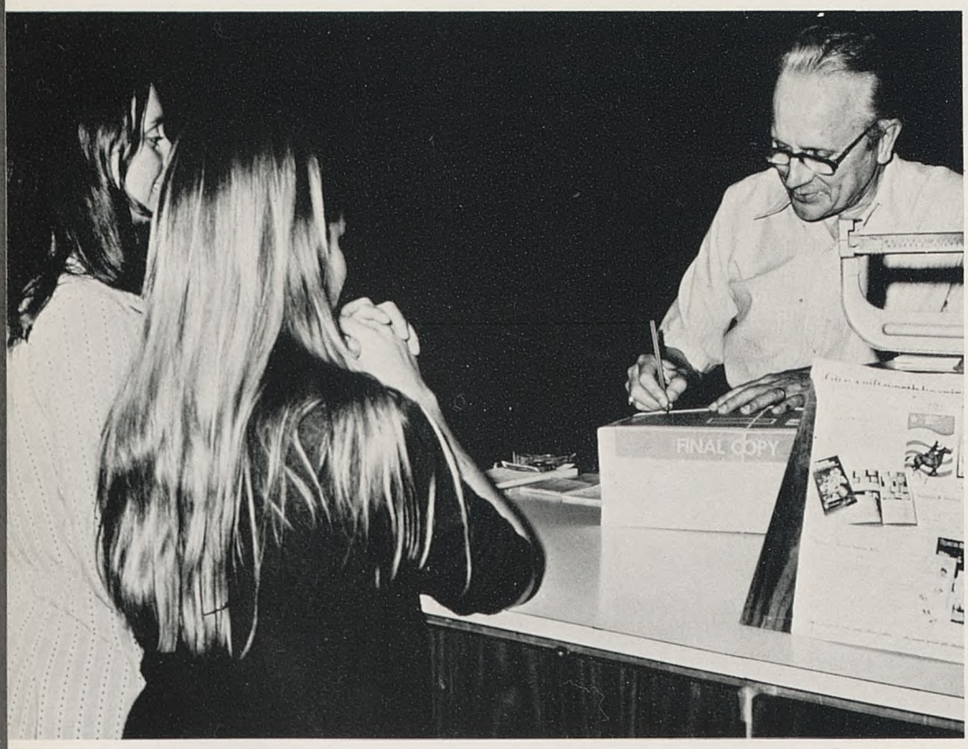

My warmest appreciation and thanks to Mr. Tom Pierce, our advisor, who stuck by us and kept us working despite late deadlines and exasperated staffers.

Through the mass confusion of a workday at deadline time, one could hear the staff saying such things as: "You can't use that picture." "Tutti-frutti." "But we don't have any pictures!" "We lost the negatives." "Margaret is a duck." "I can't do that, I have to go eat lunch!" "The Great White Pogo Stick." "Fire!!" "I don't understand." "We're going to have to have a party after this is all over."

During the eight months together, the staff shared sayings, McDonald's lunches, M&M's, orange mint gum, and the production of a yearbook. Now we share the result, the '74 Aqua Clara, with you.
